House Bill No. _6982_  

**Introduced by Representative ERIC GO YAP**  

**EXPLANATORY NOTE**  

Due to infrastructure barriers, some children are not able to continue with the standard path for formal education. In many parts of the country, families residing in remote barangays do not have access to educational institutions where they can pursue learning. Supporting the conversion of elementary school into an integrated school shall open an opportunity for children to access basic education.  

This bill seeks to convert Lengaoan Elementary School into an integrated school in Barangay Lengaoan, Municipality of Buguias, Province of Benguet, which shall be known as the Lengaoan Integrated School. This shall provide and promote uninterrupted education to children, so they are encouraged to attend school.  

The schools, which shall provide elementary and secondary education, is envisioned to serve not only the children residing in the area but also those from adjacent and nearby barangays. This shall also boost the enrollment and attendance rates in these areas.  

In view of the foregoing, approval of this bill is highly recommended.
