Republic of the Philippines

EIGHTEENTH CONGRESS
Second Regular Session

House Bill No. 7105

INTRODUCED BY
REP. ALFRED VARGAS

AN ACT
RIGHTSIZING THE NATIONAL GOVERNMENT TO IMPROVE PUBLIC SERVICE DELIVERY

EXPLANATORY NOTE

Public service is a public trust. To delay or make complicated the delivery of services needed by the people is to deny them of opportunities that would better their lives as Filipino citizens.

The bureaucracy, as the so-called “fourth branch of government”\(^1\), is the administrative heart and soul of government. It has the capacity to make public service delivery accessible or inaccessible, depending on the effectiveness and efficiency of its existing rules and regulations, systems and processes.

Consistent with this, it is the policy of the State to promote and maintain effectiveness, efficiency, and economy in the government and enhance institutional capacity to improve public service delivery, and to ensure the attainment of the country’s societal and economic development goals and objectives. Hence, it is imperative for the government to focus its functions and resources on the essential role, scope, and level of governance, and minimize, if not eliminate, redundancies, overlaps, and duplication in its operations and simplify its rules and regulations, systems and processes.

---

This bill seeks to ensure seamless operations of agencies within and across sectors and to be more responsive to public needs by creating the Committee on Rightsizing the Executive Branch. The Committee shall oversee the implementation of the Rightsizing Program, aimed at simplifying and modernizing government systems and processes to facilitate the delivery and upgrade the quality of frontline services, as well as to improve policy formulation, planning and performance evaluation, and raise overall productivity of the public sector.

In view of the foregoing, the immediate passage of this bill is earnestly sought.
