EIGHTEENTH CONGRESS
REPUBLIC OF THE PHILIPPINES
Second Regular Session

HOUSE OF REPRESENTATIVES

Introduced by Representative Rufus B. Rodriguez

House Bill No. 7267

EXPLANATORY NOTE

After the 9/11 attacks in the US, President George W. Bush called for the establishment of the USA Freedom Corps. The USA Freedom Corps is a coordinating entity in the White House charged with promoting a culture of service, citizenship, and responsibility in America. It promotes and expands volunteer service in America by supporting Federal service programs, serving as a resource for non-profits, recognizing volunteers, and helping to connect individuals with volunteer organizations in their communities.

The Medical Reserve Corps was created as an extension of the Freedom Corps. The Medical Reserve Corps (MRC) is a network in the U.S. of community-based units initiated and established by local organizations to meet the public health needs of their communities. It consists of medical and non-medical volunteers who contribute to local health initiatives, such as activities meeting the Surgeon General’s priorities for public health, and supplement existing response capabilities in time of emergency. The MRC provides the structure necessary to pre-identify, credential, train, and activate medical and public health volunteers.

In the Philippines, the importance of an MRC was realized during the COVID-19 pandemic wherein we saw that we lack medical personnel leaving our hospital front liners thoroughly overwhelmed and exhausted.

This bill proposes to establish a Medical Reserve Corps which shall be composed of all persons who have degrees in the field of medicine, nursing, medical technology, and other health-related fields but have yet to have their respective licenses to practice. A medical reserve force specifically trained to supplement the existing human health resources will ease the burden in our healthcare system.

The Medical Reserve Corps may be called upon and mobilized during national health emergencies to assist the national government and the local government units in their functions related to addressing medical needs. This measure allows our hospitals and medical facilities to handle the extreme demand for patient care in times of disaster and health emergencies.

In view of the foregoing, immediate approval of this measure is earnestly requested.

RUFUS B. RODRIGUEZ
AN ACT
INSTITUTING THE MEDICAL RESERVE CORPS, APPROPRIATING FUNDS THEREFOR
AND FOR OTHER PURPOSES

Be it enacted by the Senate and House of Representatives of the Philippines in Congress
assembled

Section 1. Short Title. — This Act shall be known as the "Medical Reserve Corps Act".

Sec. 2. Statement of Policy. — It shall be the policy of the State:
a. To institutionalize the vital role of medical and health-related personnel in nation-building,
   promote and protect their physical, moral, spiritual, intellectual, and social well-being; to
   inculcate in them patriotism and nationalism; and to encourage their involvement in public and
   civic affairs; and

b. To train, equip and organize medical and health-related personnel, within the current
   frameworks of national and territorial defense, law enforcement and peace and order and
   national disaster risk reduction and management, to prepare them for rapid mobilization at the
   soonest possible time in order to address national and/or local contingencies which may
   require manpower beyond the capabilities of existing national government agencies or local
   government units.

Sec. 3. Medical Reserve Corps. — There is hereby established a Medical Reserve Corps
which shall be composed of all persons who have degrees in the field of medicine, nursing,
medical technology, and other health-related fields but have yet to have their respective
licenses to practice for reasons such as but not limited to not having taken and/or passed the
licensure examinations in their respective professions.

Sec. 4. Medical Reserve Corps Mobilization. — In times of national emergencies and other
contingencies, the members of the Medical Reserve Corps may be called upon and mobilized
to assist the national government, its agencies and instrumentalities, and the local
government in their functions related to addressing the medical needs of the public.

The mobilization shall be initiated by the Secretary of Department of Health (DOH), in
coordination with the Secretaries of the Department of National Defense (DND), the
Department of Education (DepEd), and the Department of Interior and Local Government
(DILG), or their duly authorized representatives with a rank of at least Undersecretary.

From time to time as manpower and training resources may allow during the period of
national emergencies and other contingencies, the Medical Reserve Corps may be called for
retraining to maintain and enhance its level of competency and readiness for mobilization.

Sec. 5. Annual Reports. — The DOH shall regularly publish an annual report containing a
list of its accomplishment, status of its operations, number and demography of the Medical
 Reserve Corps, assessment of readiness for mobilization and the incidence and details of
each mobilization for the year concerned. The annual report shall also include the results of
the audit investigation on the spending of funds appropriated, collected or advanced for the implementation of the provisions of this Act.

Sec. 6. Request for Deployment. — The Medical Reserve Corps may be called upon and mobilized to assist the national government, its agencies and instrumentalities, and the local government units in their functions related to addressing the medical needs of the public through requests for deployment by the heads of such national government agencies or local government unit submitted to the DOH. The requests shall contain a justification for the deployment of the Corps and shall contain information as may be required by the DOH, including the nature of the national or local contingencies to be addressed, the purpose of the requested deployment, the number of personnel requested to be deployed and the period of deployment.

Sec. 7. Evaluation of the Request for Deployment — The DOH shall evaluate the requests for deployment. When the number of personnel requested does not exceed one hundred and fifty (150) and the period of deployment does not exceed sixty (60) days, the DOH shall decide whether to approve or disapprove the request within twenty-four (24) hours from receipt thereof. When the number of personnel requested exceeds one hundred and fifty (150) or the period of deployment exceeds sixty (60) days, the DOH shall make a recommendation to the Office of the President (OP) within twenty-four (24) hours from receipt of the request. The OP shall decide whether to approve or disapprove the request within twenty-four (24) hours from receipt of the recommendation of the DOH.

In case of the approval of the request for deployment, the DOH shall issue an Order of Deployment requiring the Corps, or a number thereof, to assist the national government, its agencies and instrumentalities and the local government units in their functions related to addressing the health-related needs of the public.

Sec. 8. Deployment in Case of a Declaration of a State of War, State of Lawless Violence or State of Calamity; Nationwide Mobilization. — In case of a declaration of a state of war, state of lawless violence or state of calamity, the DOH may motu proprio recommend the mobilization of the Corps to the President of the Philippines. The President of the Philippines, by himself, shall also have the power to order the mobilization of the Corps to respond to national or local contingencies related to external and territorial defense, internal security and peace and order and/or disaster risk reduction management.

Sec. 9. Mobilization Centers — There shall be established in each province and city as many mobilization centers as needed according to the number and geographical distribution of the Corps, where they will report in case of deployment.

In case of mobilization, the equipment of the Corps shall be supplied in close coordination with the DOH and other national agencies and offices, with the end in view of achieving rapid mobilization.

Sec. 10. Expenses of Deployment. — Upon deployment, the national government agency or the local government unit to which the Corps is deployed shall shoulder the operational expenses of deployment.

Sec. 11. Operationalization of Deployment. — The DOH shall promulgate the specific mechanisms by which deployment is efficiently implemented, including the organization of the Corps to be deployed, their territorial assignments, how deployment orders are communicated to each member of the Corps and to which mobilization center they will report.

Sec. 12. Serial Numbers and Registry. — Upon completion of their respective degrees, the graduates shall be issued individual serial numbers, which will serve as their identification in case of deployment.
The DOH shall maintain and update a registry/database containing the names of the members of the Corps, their serial numbers, address, contact details and such other information as the DOH may determine, in accordance with any applicable privacy laws. For this purpose, all public and private colleges, universities and learning institutions are hereby mandated to annually transmit their records of the graduates covered under this Act to the DOH, in the form as may be determined by the DOH.

All graduates covered under this Act are required to update their addresses and contact details on file with the DOH as often as necessary. Orders of deployment sent to the addresses and/or through the contact details on file with the DOH shall be sufficient notice for purposes of deployment.

Sec. 13. Termination of Deployment. — Upon the expiration of the requested period of deployment, without an extension having been requested and approved by the DOH, the Corps shall be discharged of its duties. The deployment may also be terminated earlier upon a determination by the DOH, in consultation with the requesting national government agency or local government unit, that such deployment is no longer in accordance with the objectives and purposes of this Act.

Sec. 14. Effect on Employment — Deployment of employees in accordance with the provisions of this Act shall not be a ground for dismissal or diminution of any benefit enjoyed by such graduates prior to their deployment. The members of the Corps shall be entitled to their regular wage or salary during the period of their deployment.

Sec. 15. Medical Reserve Corps Fund. — A Medical Reserve Corps Fund is hereby established exclusively for the implementation of the objectives and purposes of this Act. The Office of the President shall monitor and evaluate the activities and the balances of the Fund.

Sec. 16. School Fees. — Public colleges, universities and similar learning institutions covered by Republic Act No. 10931, otherwise known as the Universal Access to Quality Tertiary Education Act, shall not collect any fee from the members of the Medical Reserve Corps in addition to the normal fees and charges pertinent to their education and training in said colleges, universities and other similar institutions.

Sec. 17. Appropriations. — The Medical Reserve Corps Fund shall be included in the annual General Appropriations Act.

Sec. 18. Audit of Funds. — Audit of any and all funds used through the implementation of this Act shall be in accordance with the audit jurisdiction of the Commission on Audit, the Bureau of Internal Revenue, and the Department of Health, under existing laws and regulations.

Sec. 19. Penal Provisions; Failure to Respond. — Failure to respond to the order of deployment despite notice sent to the address and/or contact details on file with the DOH without any justifiable reason shall, upon conviction by a civil court, be punishable as follows:

1. First Offense: One hundred and twenty (120) hours of community service;
2. Second Offense: Two hundred and forty (240) hours of community service; and
3. Third and Subsequent Offenses: Three Hundred and sixty (360) hours of community service per failure to respond.

Sec. 20. Disciplinary and Corrective Proceedings. — Administrative offenses committed by persons involved in or in relation to the implementation of this Act, shall be subject to administrative penalties in accordance with the applicable civil service rules or the rules and regulations of the Professional Regulation Commission, as the case may be.
Sec. 21. *Implementing Rules and Regulations (IRR).* — The DOH shall be tasked to formulate and approve the necessary rules and regulations to implement the objectives and purposes of this Act within thirty (30) days from its effectivity. The rules and regulations shall include provisions on the structure and organization of the Corps, the specific mechanisms for the efficient mobilization and deployment of the Corps, and such other matters as the DOH may deem necessary or essential to fully implement the objectives and purposes of this Act.

Sec. 22. *Repealing Clause.* — All laws, orders, rules regulations and other issuances, or parts thereof, which are inconsistent with this Act are hereby repealed, amended or modified accordingly.

Sec. 23. *Separability Clause.* — Any provision of this Act declared unconstitutional shall not affect the validity of the other provisions thereof.

Sec. 24. *Effectivity Clause.* — This Act shall take effect fifteen (15) days after its publication in two (2) newspapers of national circulation.

Approved,
