Republic of the Philippines  
HOUSE OF REPRESENTATIVES  
Quezon City  

EIGHTEENTH CONGRESS  
Second Regular Session  

HOUSE BILL NO. 7706  

Introduced by HON. JOY MYRA S. TAMBU宁ING  

EXPLANATORY NOTE  

It is the policy of the state to promote the growth and viability of cooperatives as instruments of equity, social justice and economic development under the principles of subsidiarity and self-help.  

This is in recognition of the vital role cooperatives play in development, particularly in formalizing work in informal economies. Cooperatives, together with micro, small and medium enterprises, have shown their capacity for job generation in local communities. Cooperatives allow for small entrepreneurs to grow and thrive by giving them platform to launch their businesses. They provide financial security and open opportunities for their member’s growth and development.  

Considering the roles of cooperatives in spurring the nation’s economy, this proposed measure seeks to institutionalize the mandatory appointment of cooperatives officers for every local government unit. This will ensure that the needs of the cooperatives sector are properly accommodated by local government units.  

On behalf of the people of Parañaque City’s Second District, and for the common good of the Filipino people, the approval of the said measure is earnestly sought.
