Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

EIGHTEENTH CONGRESS
Second Regular Session

HOUSE BILL NO. 7708

Introduced by HON. JOY MYRA S. TAMBUNTING

EXPLANATORY NOTE

Republic Act 6713 or the Code of Conduct and Ethical Standards for Public Officials and Employees provides that: “It is the policy of the State to promote a high standard of ethics in public service. Public officials and employees shall at all times be accountable to the people and shall discharge their duties with utmost responsibility, integrity, competence and loyalty, act with patriotism and justice, lead modest lives, and uphold public interest over personal interest.”

Public officials and employees are held at a higher standard as they are servants of the people, they are accountable to the public. Officials and employees shall perform and discharge their duties with the highest degree of excellence, professionalism, intelligence, and skill. This is their oath when they join the civil service, it is thus imperative that they are at minimum allowable health to effectively perform their responsibilities.

In the spirit of transparency and accountability, this proposed measure is filed to ensure that public officials and employees are able to discharge their duties effectively. This measure seeks to require public officials and employees to annually submit a medical certificate stating that they are in a state of health wherein they could effectively perform tasks and provide optimal service to the people. This shall penalize non-compliance of the said certificate with an administrative offense.

On behalf of the people of Parañaque City’s Second District, and for the common good of the Filipino people, the approval of the said measure is earnestly sought.

REP. JOY MYRA S. TAMBUNTING
2nd District, Parañaque City
