Republic of the Philippines  
HOUSE OF REPRESENTATIVES  
Quezon City  

EIGHTEENTH CONGRESS  
First Regular Session  

HOUSE BILL NO. 418  

Introduced by Representative ALLAN BENEDICT S. REYES  

EXPLANATORY NOTE  

Article II Section 9 of the 1987 Constitution provides “that the State shall promote a just and dynamic social order that will ensure the prosperity and independence of the nation and free the people from poverty through policies that provide adequate social services, promote full employment, a rising standard of living, and an improved quality of life for all.” Further, our Constitution likewise provides that the Congress shall give highest priority to the enactment of measures that protect and enhance the right of all the people to human dignity.

Parallel to the above policy, the Congress of the Philippines enacted Republic Act No. 7432 as amended by Republic Act No. 9257 and further amended by Republic Act No. 9994, otherwise known as the “Expanded Senior Citizens Act of 2010.” These laws were enacted in order to aid those who have already advanced in years in order for them to benefit from their contribution to our great nation.

In 2011, this humble representation, as a neophyte City Councilor of the 3rd Legislative District of Quezon City, filed an Ordinance, which was approved in the same year exempting all Quezon City senior citizens from the payment of initial rates of parking fees in establishments with public parking facilities, such as but not limited to malls, hospitals, hotels and other similar places situated within the territorial jurisdiction of Quezon City. As stated, due to the territorial jurisdiction constraint, only residents of Quezon City can avail of this benefit and only the identified establishments in the aforementioned City are included. From 2011 up to the present, a large number of Quezon City residents have availed of this privilege and continue to benefit therefrom.

This Bill seeks to expand the coverage of the said Ordinance by making it National in scope, which provides for an all-inclusive system that would exempt all senior citizens in all commercial establishments and government buildings from the payment of parking fees upon presentation of the senior citizen identification card or any valid government-issued identification that would prove the age of the senior citizen. However, in order to avoid abuse, this bill likewise provides for the guidelines and procedures for a fair and easy implementation thereof.

In view of the foregoing, passage of this bill is earnestly sought.

HON. ALLAN BENEDICT S. REYES  
Representative  
3rd District, Quezon City
