AN ACT
CREATING THE DEPARTMENT OF FILIPINOS OVERSEAS AND FOREIGN
EMPLOYMENT, DEFINING ITS MANDATE, POWERS AND FUNCTIONS,
APPROPRIATING FUNDS THEREFOR

Be it enacted by the Senate and House of Representatives of the Philippines in Congress
assembled:

SECTION 1. Short Title. - This Act shall be known as the "Department of Filipinos
Overseas (DFO) Act".

SEC. 2. Declaration of Policy. –

a. It is the primordial duty of the State to protect the rights and promote the welfare
and interest of Filipinos overseas;

b. It is the duty of the State to uphold the dignity of labor and enhance its bargaining
position in both domestic and international conditions. The State shall protect the
welfare of all Filipinos, particularly when working and/or residing abroad, provide
social protection and minimize the social costs of migration to their families at
home, execute programs to sustain them when they return from abroad, and to
harness the robust contribution of Filipino communities outside of the country
towards nation building, utilizing a whole-of-government and whole-of-society
approach;

c. While recognizing the significant contribution of Filipinos overseas, including
Overseas Filipino Workers (OFWs), to the national economy through their foreign
exchange remittances and investments, the State does not promote overseas
employment as a means to sustain economic growth and achieve national
development. The State's overseas employment program rests solely on the
assurance that the dignity and human rights of OFWs shall neither be compromised
nor violated. The State, therefore, shall continuously create local employment
opportunities and promote the equitable distribution of wealth and the benefits of
development. Towards this end, the State shall continually aim to make overseas
employment a choice and not a necessity for every Filipino citizen;

d. In the pursuit of an independent foreign policy and while considering national
sovereignty, territorial integrity, national interest, and the right to self-determination
paramount in its relations with other states, the State shall, at all times, uphold the
dignity of its citizens, whether in-country or overseas, continuously monitor
bilateral agreements with countries of destination and international conventions in
order to adopt or be a signatory to and ratify those that guarantee the protection to Filipinos Overseas;

e. The State shall afford full protection to OFWs, promote full employment, ensure equal work opportunities regardless of sex, gender, race, creed or religion, monitor the relations between OFWs and their employers, and promote their welfare and well-being at all times. The State shall protect the rights of the workers to security of tenure, and just and humane conditions of work. Towards this end, the State shall provide adequate and timely social, economic, and legal services to OFWs;

f. The State affirms the fundamental equality before the law of men and women and the latter’s significant role in nation-building. In recognizing the particular vulnerabilities of women, the State shall apply gender sensitive criteria in the formulation and implementation of its policies and programs;

g. Free access to the courts, quasi-judicial bodies, and adequate legal assistance shall not be denied to any person by reason of poverty. In this regard, it is imperative that an effective mechanism be instituted by the State to ensure that the rights and interests of Filipinos overseas in distress, in general, and OFWs, in particular, whether on regular or irregular status, are adequately protected and safeguarded;

h. The State shall recognize and guarantee the right of all Filipinos overseas and OFWs, in particular, to participate in the democratic decision-making processes of the State and to be represented in institutions relevant to overseas employment;

i. The State recognizes non-governmental organizations, trade unions, workers associations, business organizations and other stakeholders duly recognized as legitimate, as partners of the State in the protection of Filipinos Overseas and in the promotion of their welfare. The State shall nurture and uphold mutual trust and respect in possible areas of cooperation;

j. The State shall protect every citizen desiring to work locally or overseas by securing the citizen the best possible terms and conditions of employment. The State shall endeavor to facilitate a free choice of available employment by persons seeking work and regulate the movement of workers in conformity with the national interest;

k. The State affirms that the Filipino family, as a basic autonomous social institution, is the foundation of the nation. Accordingly, the solidarity of the families of OFWs shall be strengthened and their total development shall be actively promoted;

l. The State recognizes that the most effective tool for empowerment and protection of rights of OFWs is their possession of appropriate skills. The government shall
embark on a robust expansion of skills development and enhancement programs of the concerned agencies and shall facilitate access of overseas Filipino workers to these programs through scholarships and/or training subsidies or grants. Pursuant to this, the government shall allow the deployment only of skilled and semi-skilled Filipino workers five (5) years from the enactment of this law. The State shall also pursue bilateral, regional and multilateral agreements on skills qualification, certification and matching;
m. The State shall ensure the effective implementation and propose amendments, if necessary, to laws affecting overseas employment and OFWs, such as Republic Act No. 10022, otherwise known as the “Migrant Workers and Overseas Filipinos Act of 1995”, and Executive Order No. 247, otherwise known as the “Reorganization Act of the Philippine Overseas Employment Administration”; and
n. The State commits to fulfill the twenty-three (23) objectives of the Global Compact for Safe, Orderly and Regular Migration (GCM):
  i. Collect and utilize accurate and disaggregated data as a basis for evidence-based policies;
  ii. Minimize the adverse drivers and structural factors that compel people to leave the country;
  iii. Provide accurate and timely information at all stages of migration;
  iv. Ensure that all migrants have proof of legal identity and adequate documentation;
  v. Enhance availability and flexibility of pathways for regular migration;
  vi. Facilitate fair and ethical recruitment and safeguard conditions that ensure decent work;
  vii. Address and reduce vulnerabilities in migration;
  viii. Save lives and establish coordinated international efforts on missing migrants;
  ix. Strengthen the transnational response to smuggling of migrants;
  x. Prevent, combat and eradicate trafficking in persons in the context of international migration;
  xi. Manage borders in an integrated, secure and coordinated manner;
  xii. Strengthen certainty and predictability in migration procedures for appropriate screening, assessment and referral;
  xiii. Use migration detention only as a measure of last resort and work towards alternatives;
xiv. Enhance consular protection, assistance and cooperation throughout the migration cycle;

xv. Provide access to basic services for migrants;

xvi. Empower migrants and societies to realize full inclusion and social cohesion;

xvii. Eliminate all forms of discrimination and promote evidence-based public discourse to shape perceptions of migration;

xviii. Invest in skills development and facilitate mutual recognition of skills, qualifications and competences;

xix. Create conditions for migrants and diasporas to fully contribute to sustainable development in all countries;

xx. Promote faster, safer and cheaper transfer of remittances and foster financial inclusion of migrants;

xxi. Cooperate in facilitating the safe and dignified return and readmission of migrants as well as their sustainable reintegration into their home countries;
