TO THE COMMITTEE ON APPROPRIATIONS

**THE PRIVILEGE HOUR**

The day being a Monday, on motion of Rep. Primicias-Agabas, there being no objection, the Chair declared a Privilege Hour.

**PRIVILEGE SPEECH OF REP. ACHARON**

The Chair then recognized Rep. Pedro B. Acharon Jr. who delivered the following privilege speech:

Madame Speaker, honorable Members of this august chamber, I rise today on a matter of collective and personal privilege to honor and manifest my solidarity with all local chief executives across the country and the local government units (LGUs) they represent as the nation commemorates the Silver Jubilee of the enactment into law of Republic Act No. 7160 otherwise known as the Local Government Code (LGC) of 1991, as amended.

Prior to the introduction of the Code, the dominance of Imperial Manila where major government machineries were located proved less responsive, largely bureaucratic, and less efficient resulting to uneven distribution of wealth and the lack of resources at the local level which left many of our local government units develop at a slower pace.

After the People Power Revolution of 1986, the drafting of a new Constitution became an opportunity to even the odds in favor of decentralization and devolution; ensure that our political subdivisions enjoy genuine and meaningful local autonomy and fiscal independence; and enable them to attain their fullest development as self-reliant communities.

Hailed as one of the most significant pieces of legislation ever to pass through the halls of Philippine Congress, the LGC of 1991 was like a magic wand that would revive, reinvigorate and strengthen local bureaucracy and usher in a new era in public administration and local self-government.

To get the job done, the Constitution bestowed on local government units the explicit power to create its own sources of revenues subject to guidelines and limitations as provided by law.

Second, the Constitution guaranteed that each local government unit is assured of a just share in the national taxes duly appropriated as determined by law and automatically released; and

Third, the Constitution explicitly mandated that local governments are entitled to an equitable share in the proceeds of the utilization and development of the national wealth within their respective areas, in the manner provided by law, not excluding sharing of the same with the inhabitants by way of direct benefits.

Since then, the burden of delivering front-line basic services fell on the shoulders of our governors, mayors, barangay chairpersons, councilors and department heads, who willingly discharged the functions and responsibilities of national agencies devolved to them.

The incremental shares in the internal revenues and expenditure responsibilities of the national government allowed the local bureaucracy to respond more appropriately and even faster to the needs of their constituents for basic public services.

A case in point is the aggregate expenditures on health and other devolved services even exceeded that of the national government and moreover, decentralization led to innovations in local service delivery after the enactment of the Code than before it.

Having attained greater local fiscal autonomy and increased people's participation in local civic activities, local governments developed at a faster pace.

Madam Speaker, distinguished colleagues, in spite of the performance of select local government units, most of them registered sluggish growth since 1987 and the list of the richest and poorest local governments largely remained the same 25 years later.

Despite the improvements introduced by the Local Government Code, it is widely acknowledged by stakeholders that the Code suffers from a number of structural deficiencies.

The law itself calls on Congress to undertake a mandatory review of the Code at least once every five years. While several attempts were made in the past to review the Code, the most recent evaluation -- the results of which came out in February 2015 -- was led by the Department of the Interior and Local Government.

Not to mention Madame Speaker, distinguished colleagues, that from 1991 to 2014, Congress introduced legislation that further devolved national government functions and responsibilities to local government units which greatly affected the manner by which basic services should and could be delivered given their already limited resources.

You will note, Madam Speaker, that we already have 340 laws enacted by this Congress from 1991 to 2014. Allow me to mention, Madam Speaker, some laws that directly amend the Local Government Code: Republic Act (RA) No. 7279, known as the Urban Development and Housing

Act of 1992; RA No. 9009, increasing the average annual income requirement for the conversion of a municipality to a component city; RA No. 9184, known as the Government Procurement Act; RA No. 9160, on the reduction of the rate of amusement taxes on admission from 30 % to 10 % of gross receipts from admission fees; and RA No. 10121 otherwise known as the Philippine Disaster Risk Reduction and Management Act.

There are also laws that assign expenditures to local government units. One, RA No. 7876 or the Senior Citizen's Center Act of the Philippines; two, RA No. 9003 or the Ecological Solid Waste Management Act of 2000; and RA No. 9275, Philippine Clean Water Act of 2004, and many more, Madam Speaker.

There are also laws that assign revenue and taxing powers to local government units (LGUs).

Madam Speaker, distinguished colleagues, the devolution of responsibilities for service delivery from the national government down to the local government is largely incomplete.

The central government has yet to clarify the roles and responsibilities across levels of government to remedy the vague and ambiguous assignment of specific functions. There are legally devolved functions from the national government to the local governments which are not accompanied by funding sources, prompting the local governments to realign their budgets to comply with their legal obligations. This is usually known in the Philippine decentralization as "unfunded mandates."

One example, Madam Speaker, is RA No. 7305 otherwise known as the Magna Carta for Public Health Workers. We are all aware that in most instances, government health workers are overworked yet underpaid. The Magna Carta for Public Health Workers was legislated promising a host of incentives, primarily financial and non-monetary incentives to health workers to compensate for their services and attract others to government health service as well.

However, it is evident in many local government units that the law has failed to live up to its promise and a significant number of public health workers have not received the incentives and benefits due them.

Another is RA No. 10121 otherwise known as the Philippine Disaster Risk Reduction and Management Act, to strengthen the system of disaster risk reduction and management and institutionalize disaster risk reduction and management plans in all levels of government.

After five years, we are now seeing the significant imbalance between the risk exposure of the poor, the vulnerability of LGUs, and their available resources to prevent and cope with the impact of disasters. LGUs in poorer islands and provinces are at a disadvantage as they have lower revenues, thus less available resources for their calamity fund.

While it is true, Madam Speaker, that LGUs have varying disaster-related expense as demanded and revenue-raising capacities, which are both affected by the incidence and severity of calamities that strike them, these differences are not taken into account in the allocation of resources for disaster management.

Nevertheless, Madam Speaker, distinguished colleagues, this is not to dismiss the many shining examples of successful local governments that were able to introduce innovative solutions to age-old problems.

As a matter of record, even in this august chamber, many of our colleagues who served as local chief executives as governors, mayors and even barangay chairpersons led many of these innovations and brought honor, prestige and pride to their constituents.

And yet we cannot deny that there are many local governments throughout the country who still fail to address the most basic needs of their constituents.

And so, there are several questions that need to be answered, Madam Speaker. Does this mean that the Local Government Code of 1991 failed to effect genuine and meaningful local autonomy to enable provinces, cities, municipalities and barangays attain their fullest development as self-reliant communities?

If we are looking forward for these communities to be the frontliners in nation building, does this mean that they have not been effective partners in the attainment of national goals?

Madam Speaker, distinguished colleagues, we are now standing at a political crossroad. Acknowledging the lessons of decentralization in the past 25 years, the time has come to seriously consider the equitable distribution of economic and political power from the center to the countryside.

Should we deny our local authorities the right to regulate, manage and be responsible for a substantial share of public affairs in the interests of the local population within the limits of the law?

Should we now convene and exercise the oversight functions of Congress and consider reviewing the Local Government Code of 1991 to further strengthen local governance as well as more autonomy on public land use, disposition or administration?

These are tough questions, Madam Speaker, and our constituents need the assurance that the progress we have attained thus far will be sustained.

In closing, I take this opportunity to thank the framers of the Local Government Code of 1991. To all the men and women in all local governments who belabor day in and day out to ensure that streets are swept clean, community health centers are open, garbage is collected and all the little things that many from even among your communities have taken for granted, from the bottom of my heart, I thank you. Mabuhay ang lahat ng mga local chief executives.

Thank you very much, Madam Speaker, and good afternoon.

On motion of Rep. Primicias-Agabas, the Chair recognized Rep. Jose L. Atienza Jr. for his interpellation.

#### **INTERPELLATION OF REP. ATIENZA**

At the outset, Rep. Atienza discussed with Rep. Acharon the need to revisit the 1991 Local Government Code (LGC), this as they both agreed that its intentions had not been realized because of lack of funds, and the LGUs' lack of initiatives and failure to enforce the law in accordance therewith. They also discussed the LGUs' responsibilities in implementing various laws including RA No. 7278 (Urban Development and Housing Act of 1992) and RA No. 9003 (Ecological Solid Waste Management Act of 2000).

After saying that it was only former President Gloria Macapagal-Arroyo that committed to implement the latter law, Rep. Atienza stressed that drugs and criminality were vital problems in the country but the pollution problem should also be considered by the current administration. He stated that the solution to the problems of the nation was not shifting to federalism but making LGUs more effective and providing them with necessary funds. He reminded the Body that the fundamental law of the land provided for local autonomy, but the government was not providing adequate funds.

Rep. Acharon agreed with the aforementioned points as well as the exercise by the Committee on Local Government of its oversight functions. He and Rep. Atienza then appealed to their colleagues to work for the proper implementation of the LGC.

## REFERRAL OF REP. ACHARON'S PRIVILEGE SPEECH

On motion of Rep. Primicias-Agabas, there being no objection, the Body referred Rep. Acharon's privilege speech and interpellation thereon, to the Committee on Rules.

## ACKNOWLEDGMENT OF GUESTS

At this point, Rep. Francisco Jose F. Matugas II acknowledged the presence in the Session Hall of guests of Rep. Dale "Along" R. Malapitan.

## PRIVILEGE SPEECH OF REP. DE JESUS

On further motion of Rep. Matugas, the Chair recognized Rep. Emmi A. De Jesus for her privilege speech, to wit:

Ang pahayag na ito ay pagkilala o paggunita doon sa ikalawang anibersaryo ng krimeng pagpatay sa isang kabaro natin, sa isang kababayan natin, isang transgender na si Jennifer Laude sa kamay ni US Marine Private First Class Joseph Scott Pemberton.

Maaalala na ang hatol ng korte na guilty si Pemberton ay pinalabnaw na salang homicide sa halip na murder at ang dagdag na insulto ay ang higit na malaganap na pagtampalasan sa ating soberanya na patuloy na nagaganap dahil sa pag-iral pa rin ng dominasyon ng dayuhang puwersa ng Amerika.

Sinariwa ng pagpatay kay Jennifer Laude ang naunang rape kay Nicole sa kamay din ng isang US Marine, si Corporal Joseph Smith, na pinahintulutan din ng gobyerno ng Pilipinas na makaalis ang salarin sa ating jurisdiction at sumailalim sa kapangyarihan ng kanyang bansa.

Dalawang kaso ito na nagpapatotoo na ang tratadong katulad ng Visiting Forces Agreement ay nagpapairal ng hindi pantay natrato sa Pilipino na nagtitiis sa pananatili ng sundalo at kagamitang pang-giyera ng Amerika.

Dalawang kaso ito na nagpapatotod kung bakit ngayon ay kailangang aralin ang kabuluhan ng VFA at ng Enhanced Defense Cooperation Agreement (EDCA).

Tumitindig ang Representasyong ito ng Gabriela para sa kababaihan. Kami ay patuloy na nagpapatotoo na hindi maihihiwalay ang kaugnayan ng mga military agreements na ito sa isyu ng iba't ibang social, economic, political at military costs lalo na sa karahasan sa kababaihan. Sa halip na ipagtanggol si Jennifer at Nicole, tiniyak pa ng

mga nakaraang pamahalaan ang pagkilala sa boses ng gobyerno ng Estados Unidos at nagbigay ng special treatment sa pagkapiit at proseso ng paglilitis sa mga sundalong sangkot kay Jennifer at kay Nicole. Sa halip na ipagtanggol ang nilalaman ng Konstitusyon na hindi dapat naririto ang base ng tropang dayuhan at baka ang armas nukleyar ay kasama doon sa kanilang mga base, nagbukas pa ng panibagong EDCA Agreed Locations provisions para sa tropa at higanteng gamit pandigma ng Amerika.

Hindi maitatangi na ang pagpatay kay Jennifer ay isa lamang sa mga larawan ng bulnerabilidad ng ating kababayan, lalo na ng kababaihan na maging biktima ng iba't ibang anyo ng karahasan sa kamay ng mga dayuhang sundalo. Napatunayan na natin ito sa kasaysayan, na higit pang umiral ang culture of impunity sa panig ng mga sundalong sangkot sa iba't ibang krimen at pang-aabuso.

Sa pamamagitan ng EDCA, maaaring magmukhang malaking base militar ang ating bansa at lunsaran ng pakikidigma. Nararapat lamang na ang EDCA ay aralin kung ito nga ba ay kasunduang may kapakinabangan ang Pilipinas bagkus baka ito ay nagtutulak lamang sa mga interes lalong lalo na sa programa ng Amerika sa ilalim ng kanyang Asia Pivot na matagal na niyang idineklara.

Sa Article VII ng EDCA, halos isuko na ng gobyerno ang kapangyarihang magpatay ng buwis sa paggamit ng US forces sa utilities. At ang masahol pa, maaaring ito ay isang magneto sa giyera, ang pagkakaroon ng ganitong kasunduan dahil sa dami ng kaaway ng Amerika sa mundo.

Matatandaan ang kasaysayan na pagkatapos ng Ikalawang Digmaang Pandaigdig, ang pambobombang ginawa sa Maynila ng magkabilang panig ay halos pangalawa sa durog na siyudad at dapat matuto na tayo, na tayo ay nakaladkad lamang sa giyera at nagamit pa ang ating kalupaan, karagatan at kalawakan sa pagpasok sa giyerang ito.

Batay sa mga nabanggit, kinikilala ko ang kolektibong pagkilos ng mga mamamayang Pilipino, at sana kasama ang kapulungan ng Kongreso tungo sa pagkakamit ng katarungan sa mga katulad ni Jennifer Laude, hanggang sa tuluyang maiwaksi ang mga kasunduang hindi pantay at naglalagay sa ating bansa at sa kanyang mamamayan sa bulnerableng kalagayan.

At kinikilala ko rin ang malakas na tinig ng kasalukuyang Pangulong Rodrigo Roa Duterte sa pagbatikos sa pagpapatuloy ng giyera ng Amerika sa iba't ibang bansang kanyang niligalig at nilusob. At sana huwag ng maulit ang malagim na

nangyari kay Jennifer maging sa mga naulila ng mga masaker ng tropang Amerikano sa iba't ibang lugar sa ating bansa. At habang isinisigaw natin ang panawagan na wakasan na sa malaon at madali ang mga kasunduang nagiging dehado tayo, huwag nating bitiwang ang ating lehitimong demanda na si Pemberton, bilang isang kriminal, ay ilipat sa piitan ng Pilipinas at alisin siya sa pamamahala ng dayuhang Amerika.

Kaya ang isinisigaw po sa ngalan ng aming Partido, "Justice for Jennifer Laude, Justice for the Filipino people."

Magandang hapon po.

**ACKNOWLEDGMENT OF GUESTS**

At this point, Rep. Matugas acknowledged the presence in the Session Hall of guests of Rep. Manuel Monsour T. Del Rosario III.

**PRIVILEGE SPEECH OF REP. JALOSJOS**

Whereupon, on motion of Rep. Matugas, the Chair recognized Rep. Seth Frederick P. Jalosjos for his privilege speech, to wit:

Good afternoon, Madam Speaker and my dear colleagues in this august Chamber.

I rise before you today on a matter of personal and collective privilege on hiding behind the immunity of the halls of Congress which, to my understanding, affects not only the integrity of this humble Representation but the entire Congress as an institution as well. Ito bang immunity na ito ay

sadyang ginagamit ng mga Miyembro ng Kongreso upang makapagpahayag ng saloobin para sa-  
raan ang isang indibiduwal o institusyon?

Ang pagkaka-alam ko, ito ay isang karapatan ng mga Miyembro ng Kongreso upang maisiwalat ang mga kahinahinalang mga gawain na higit makakatulong sa pagbabalankas ng mga batas.

Madam Speaker, for the record, in my privilege speech last September 21, 2016, I made mention the illegal drug trading activities in our province in Zamboanga del Norte. Politicians and PNP were among those mentioned as protector, and if I may recall also in that speech, I mentioned the name SPO2 Vertudez, the chief, the most trusted security officer of suspended Governor Roberto Uy, tagged as operator in illegal drug dealings in the province. This is not only public knowledge but this is sustained, and I repeat, Madam Speaker, sustained by various affidavits involving him in illegal drug activities.

Let me say it out right, Madam Speaker, and my dear colleagues, na tahasang itinatangi ito sa kanilang press conference na naganap noong October 1, 2016, sampung araw pagkalipas ng aking privilege speech.

Suspended Governor Uy in his statement said “Nga confused and iyang kaatbang sa politika tungod kay nagpasagad lang kini ug gama-gama ug istorya aron lamang madaot ang iyang dungod” Meaning, “I am confused politically because of fabrications, allegations to damage his personal reputation.” Ngunit ang kahina-hinala Madam Speaker, hindi man lang niya nababanggit patungkol sa kanyang chief at trusted security na si SPO2 Vertudez na kung saan itinuturo ng mga assets at informant mula sa hanay ng local law enforcement agencies na sangkot sa illegal activities. Is this an admission of concealing or likewise protecting? Hindi ba niya ito nalalaman na kung saan personal niya itong kasa-kasama? Ako ay nahihiwagaan lamang.

You know, Madam Speaker, and my esteemed colleagues, I really appreciate people and leaders who are perceived to be believers in God. Bringing with them always the Holy Scriptures, much less to be considered as prophets of which I am not of this kind because I know that I am a sinner and maybe more than most. But God strictly warned, in the Book of St. Matthew, Chapter 7, verse 15, and I quote “Beware of false prophets, who come to you in sheep’s clothing, but inwardly are ravenous wolves.”

On the other press conference, nagpahayag din sa kaniyang presscon ang PNP Provincial Director Edwin Wagan, and I quote: “Wala ni isang

information na dumating sa amin regarding sa involvement ni suspended Governor Uy sa illegal drugs. At bakit idinadaan sa privilege speech na kung saan may immunity? At, mag-file na lang sila ng kaso.”

Madam Speaker, PD Wagan seems he knows very well in protecting someone by invoking Congress’ Members privilege and blatantly questioning the use of immunity in delivering privilege speeches in the halls of Congress. To my mind, this may cause damage not only to this humble Representation but to Congress as an institution.

Is PD Wagan of Zamboanga del Norte really performing his duties in gathering in-depth intelligence work regarding illegal drug activities in our province? Or conspiring all these illegal activities in the province? Hindi nakapagtataka na hanggang ngayon wala pa pong tamang matrix na lumalabas sa Zamboanga del Norte. PD Wagan must wait in God’s time, as the proper time. Because I, ako po, this humble Representation, have the complete matrix na po indicating personalities based on the affidavits from the informants and assets from within the various active local law enforcement agencies, and this will be submitted immediately to the President, to the DILG Secretary, and Chief of PNP as prior information pending the scheduled hearing in the House of Representatives.

Madam Speaker, alam ninyo po noong ako ay nag-umpisa sa pag-privilege speech ko, I had five assets, I had five witnesses na puwedeng magbigay ng testimonya sa aking isinisiwalat ngayong gabi. Madam Speaker, unfortunately, and I am sad to tell all the Members of this august Body, na sa limang mga assets ko dalawa na lang ang buhay, tatlo na po ang patay, in three weeks, Madam Speaker.

What is the truth?

My dear colleagues, I am so much delighted and even somehow vindicated that during the presentation of the resource persons in the light of the investigation of House Resolution No. 105 last Thursday, October 6, 2016, two of the witnesses namely, Messrs. Engilberto Durano and Nonilo Arile, categorically mentioned Zamboanga del Norte and Dipolog City in their separate statements regarding the syndicated illegal drug trading transacted from the National Bilibid Prison. My privilege speech last September 21, 2016 was not in vain because Zamboanga del Norte and Dipolog City were specially and specifically mentioned. It corroborates the statements of my informants and assets.

Sa mga pangyayaring ito, Madam Speaker, I maintain, that I am not using my immunity in the halls of Congress. But this is again a matter of my

duty without fear, though they are so powerful even before this administration, because I seek strength in the Book of Acts, Chapter 18, verse 9-10: “Do not fear, but speak, and do not keep silent, for I am with you.”

If I will not speak, I will be hounded by my conscience of cowardice. And who will speak for the fate of our province? And we all know that this will damage the future of our youth and young sa talamak na droga sa probinsya at lalong yumayaman ang nasa kapangyarihan at mga miyembro ng local law enforcement agencies sa pagpoprotekta nito.

Madam Speaker, what have they done? Gina-gawa ba nila ang kanilang tungkulin sa lokal na pamahalaan ng Zamboanga del Norte at Dipolog City—PNP, PDEA, NBI? I challenge the heads of these agencies and departments na maglabas ng statement na hindi naman personal, na nagiging lawyering sa ating gobernador na si Berto Uy. Maglabas sila ng kongkretong ebidensiya o kongkretong imbestigasyon kung totoo ba ang mga isinisiwalat ko sa mga privilege speeches ko and I tell you baka magulat sila kung gaano kadami at gaano kakonektado ang pinapag-usapan natin on a national scale dito sa NBP House probe and ang probinsya sa Zamboanga del Norte.

Madam Speaker, I will now read some quotes na binaggit sa affidavit ng isang—doon sa probe last week.

“Noong February 2014 ay tinawagan ako ni Jaguar kung saan inutusan niya ako para alamin ang isang Joenel Pederio (Joenel) mula sa Zamboanga del Norte. Ayon pa kay Jaguar, si Joenel ay tao ni Ronnie Dayan na malakas ang market ng shabu sa buong Zamboanga del Norte. Makalipas ng dalawang araw, tumawag sa akin si Ronnie Dayan at sinabi “Bert, tulungan mo ako na mabigyan ni Jaguar ang tao ko sa Zamboanga del Norte.” Sa-got ko naman, “Ok, walang problema bay”.

Number 13 sa affidavit: Nagtanong ako agad sa mga kasama kong Muslim sa loob ng NBP at nalaman ko na itong si Joenel ay isa palang police chief inspector na may laro din ng shabu at kakumpetensya nila sa pagbebenta nito at sa katunayan ay “untouchable” ito sa kanyang lugar. Agad ko itong binalita kay Jaguar sa pamamagitan ng text message.”

Number 14 sa affidavit: Makalipas ng isang linggo nagsimula nang magbigay si Jaguar ng “item” o shabu kay Joenel. Nagtext sa akin si Jaguar at pinapa-record niya sa akin ang petsa kung natanggap ni Joenel ang napadalang “item” mula kay Jaguar. Tinext ko si Jaguar at ibinalita ko sa kanya na natanggap na ni Joenel ang tatlong kilo.

Nagpatuloy ang mga transaksyon ni Joenel at Jaguar at tumibay din ang ugnayan ni Ronnie at Jaguar dahil sa maganda ang remittance ni Joenel kay Jaguar.”

Madam Speaker, sa aking palagay, hindi magagawa ni Inspector Joenel Pederio ang malakihang operation na ito ng iligal na droga sa Zamboanga del Norte at sa Dipolog City kung hindi nalalaman ito ng provincial director at higit sa makapangyarihang suspended Governor Uy ng Zamboanga del Norte, dahil maliwanag pa sa sikat ng araw ang sinabi sa affidavit ni Durano na si Inspector Joenel Pederio ay “untouchable” sa lugar sa Zamboanga del Norte at alam naman ng lahat na sobrang kadikit ng suspended Governor Uy ang makapangyarihang namumuno noon ng DILG, kaya hindi malayo ito na may sabwatan at proteksyon si Inspector Joenel Pederio.

Bakit hindi nila alam ito at magpasahanggang ngayon sinasabi ni PD Wagan na wala silang impormasyon involvement ng mga politiko sa Zamboanga del Norte. May I suggest, please tell it to the Marines.

At, kung hindi naging Pangulo ng ating bansa si President Duterte, hindi ito mabubunyang sa pamamagitan ng House Resolution No. 105 na kung saan ang sangkot ng kalakaran ng droga sa Bilibid Prison ay may malaking bahagi sa transaksyon ang probinsya ng Zamboanga del Norte.

Madam Speaker and my esteemed colleagues, maybe for some, this issue in our province is somehow parochial and political per se. But, please allow me to quote the manifestation and observation of our esteemed Majority Leader, Honorable Rodolfo Fariñas, during the deliberation and hearing on House Resolution 105 last October 6, 2016, and I quote, “Mr. Chairman, I think the issue of drugs in Bilibid Prison has a wider scope that it is but appropriate and proper that the Committee on Dangerous Drugs will conduct its own investigation.” I will stand corrected by the Majority Leader if somehow the verbatim context of his observation is not accurate, but I am just getting his personal thoughts and observations.

I am very much thankful to the Majority Leader because said observation was raised and that my privilege speeches pertaining to illegal drugs in Zamboanga del Norte and Dipolog City based on the statements of Messrs. Durano and Arile will form part of the Record of the House of Representatives which as I see is not parochial in nature but of national concern and security interest.

To end, Madame Speaker, the ball is now rolling, and heads must fall down. It is very imminent to transfer at alisin na lahat ang mga opisyal sa

local law enforcement agencies sa aming probinsya, particularly ang PNP Provincial Director, and PDEA, and NBI. Hindi po ako titigil at hindi po ako tatahimik kung hindi po ma-transfer or ma-re-shuffle all these erring, incompetent, and inefficient officials in our province.

If these officials will not be transferred, concealment o pagtatago or pagtatakip ng tamang impormasyon patungkol sa kalakaran sa droga sa Zamboanga del Norte at Dipolog City ay mananatili, at matatakot ang mga assets and informants na lumantad dahil alam ng mga opisyal na ito ang mga kalakaran and justice will not be served. This will deprive the campaign of President Duterte on the total war against illegal drugs.

For the proper information of my esteemed colleagues, House Resolution No. 456, calling for an urgent investigation on the illegal drug trading activities in the province of Zamobanga del Norte, has already been filed, and I likewise make a manifestation for the speedy hearing on the same whose contents and intents will form part of House Resolution 105.

Maraming, maraming salamat sa inyong lahat sa pakikinig at pagbibigay ninyo ng oras sa hapong ito. Pagpalain po nawa ng ating butihing Diyos ang ating mga gawain dito sa House of Representatives for the brighter future of our nation.

Salamat po.
