On motion of Representative Pimentel, there being no objection, the Body considered on Second Reading House Bill No. 6425 as contained in Committee Report No. 389, and reported out by the Committees on Transportation, and Appropriations.

Upon direction of the Chair, the Secretary General read the title of the Bill, to wit:

“AN ACT PRESCRIBING AN URGENT, COMPREHENSIVE AND INTEGRATED LAND-BASED TRAFFIC MANAGEMENT POLICY TO EFFECTIVELY ADDRESS THE TRAFFIC CONGESTION CRISIS IN METRO MANILA, METROPOLITAN CEBU AND METROPOLITAN DAVAO AND APPROPRIATING FUNDS THEREFOR.”

Representative Pimentel stated that the Bill was in the period of sponsorship and debate, and on his motion, the Chair recognized Reps. Cesar V. Sarmiento, Chairperson of the Committee on Transportation, and Jose L. Atienza, Jr. to sponsor the measure and interpellate thereon, respectively.

INTERPELLATION OF REPRESENTATIVE ATIENZA

Representatives Sarmiento (C.) and Atienza first focused on the purpose of House Bill No. 6425 to solve the traffic problem in Metropolitan Manila, Metropolitan Cebu, and Metropolitan Davao. They discussed what causes traffic such as different local rules and regulations; insufficient mass transportation; illegal terminals; incompetent traffic enforcers; and the use of streets for wakes, trash, and illegal parking.

Representative Atienza then stressed that the non-enforcement of existing laws and presence of corruption in all levels of the government were the main problems and that there was no need to create another level of bureaucracy or to give emergency powers to address the traffic situation. For his part, Representative Sarmiento emphasized that local government units (LGUs) are not exercising strong political will to clear the streets.

Subsequently, the two Members discussed the anomalous purchase of coaches which did not match the specifications of existing Metro Rail Transit (MRT) railways and the inefficiency of the MRT as well as Light Rail Transit (LRT) systems.

Even as he expressed his trust in President Rodrigo Roa Duterte's integrity, Representative Atienza reiterated his concern about corruption in the procurement process and among the LGUs; the possible abuse of the emergency powers provided for in the Bill; and the breeding of corruption in the new offices that are proposed in the measure. He pointed out that the Bill did not address the reason behind illegal terminals, public road obstruction, and other traffic-causing factors. He opined that emergency powers would not solve the traffic problem as there are enough laws and ordinances; and that what is needed is the correct and proper enforcement of the laws especially by the LGUs.

Expressing concern about incompetence and abuse especially in local governments, Representative Atienza underscored the need to solve the main problem of corruption rather than deliberate on the instant Bill. He opined that the measure should be revisited and the Sponsor's time and efforts could be better used in improving the plight of local governments rather than solving the traffic mess.

Representative Sarmiento stressed that the Traffic Crisis Bill contains safety nets as regards the power to enter into negotiated procurement contracts.

On motion of Representative Pimentel, the Chair next recognized Rep. France L. Castro for her interpellation.

INTERPELLATION OF REPRESENTATIVE CASTRO (F.L.)

Representative Castro expressed apprehension about the corporatization of the transport system and the future of small public utility vehicle (PUV) drivers and operators once the instant Bill is passed. She and Representative Sarmiento (C.) discussed the revocation and modification of PUV franchises and permits in connection with the route rationalization plan; availment by drivers' cooperatives of financial assistance to purchase new PUVs; and the possibility of having public-private partnership (PPP) projects under the government's jeepney modernization plan.

After stressing the need to provide rehabilitation aid to drivers who will be displaced by the modernization plan, Representative Castro asked why the instant Bill focuses only on PUVs and expressed hope that the government will also address the regulation of private vehicles which outnumber PUVs. She also exchanged views with the Sponsor about the nationalization of the public transport system and the Bill's provision on the incorporation of traffic and pedestrian education as a mandatory subject in senior high school.

Representative Castro then expressed concern about the Bill's provision on using Government Service Insurance System (GSIS) funds to insure public officers involved in implementing the policies and projects covered by the measure, against litigation.

Upon her colleague's request, Representative Sarmiento said that he will give her a copy of the GSIS' written comment that it will cover only the cost of litigation.
