MANIFESTATION OF REPRESENTATIVE ATIENZA

Recognized by the Chair, Rep. Jose L. Atienza Jr. pointed out that there were only 213 Members present in the Session Hall and not 230 Members as announced by the Secretariat. For the record, he stressed that if the Secretariat can prove that the excess in the figure means that some Members are attending a committee meeting of which he was not aware, then he will accept the Secretariat's count.

The Chair took note of his manifestation.

TO THE COMMITTEE ON RULES

ACKNOWLEDGMENT OF GUESTS

At this point, Representative Gullas acknowledged the presence in the Session Hall of the guests of Deputy Speaker Abu and Reps. Jose Enrique “Joet” S. Garcia III and Jose Christopher Y. Belmonte.

**BUSINESS FOR THE DAY:
COMMITTEE REPORT NO. 727
ON HOUSE BILL NO. 7544**

On successive motions of Representative Gullas, there being no objection, the Body considered on Second Reading House Bill No. 7544, as contained in Committee Report No. 727 and submitted by the Committee on Revision of Laws, declaring the last Monday of January of every year a special working holiday in observance of “National Bible Day”; dispensed with the reading of the text thereof without prejudice to its insertion into the Record of the House; adopted the Explanatory Note of the Bill as the sponsorship remarks on the measure, with the concurrence of Rep. Marlyn L. Primitias-Agabas, Chairperson of the sponsoring Committee; terminated the period of sponsorship and debate; terminated the period of amendments in the absence of Committee and individual amendments; and approved the same on Second Reading through *viva voce* voting.

**UNFINISHED BUSINESS:
COMMITTEE REPORT NO. 753
ON HOUSE BILL NO. 7449**

On motion of Representative Gullas, there being no objection, the Body resumed consideration on Second Reading House Bill No. 7449, as contained in Committee Report No. 753 and reported out by the Committee on Appropriations.

Upon direction of the Chair, the Secretary General read the title of the Bill, to wit:

“AN ACT APPROPRIATING THE SUM OF ONE BILLION ONE HUNDRED SIXTY ONE MILLION SEVEN HUNDRED TEN THOUSAND PESOS (₱1,161,710,000) AS SUPPLEMENTAL APPROPRIATIONS FOR FY 2018 AND FOR OTHER PURPOSES.”

Thereafter, Representative Gullas stated that the Bill was in the period of sponsorship and debate, and on his motion, the Chair recognized Rep. Karlo Alexei B. Nograles, Chairperson of the sponsoring Committee, to continue sponsorship of the measure and Rep. Edcel C. Lagman to interpellate thereon.

INTERPELLATION OF REPRESENTATIVE LAGMAN

Initially, Representative Lagman was assured by Representative Nograles (K.A.) that the sponsoring Committee was in possession of the original written certification from the National Treasury as to the availability of the funds needed to finance the proposed Supplemental Appropriations for Fiscal Year 2018.

Subsequently, the two Members discussed the estimated number of Dengvaxia vaccinees who are at risk of acquiring complications in the next five years and the huge amount needed to address their medical needs that would not be fully covered by the Philippine Health Insurance Corporation (PhilHealth). The Sponsor committed to give his colleague the pertinent data thereon, from the Department of Health (DOH).

SUSPENSION OF SESSION

On motion of Representative Lagman, the session was suspended at 4:39 p.m.

RESUMPTION OF SESSION

The session resumed at 4:41 p.m.

INTERPELLATION OF REPRESENTATIVE LAGMAN (Continuation)

Representative Lagman then surmised that only 13% of deaths reportedly due to Dengvaxia vaccination were due to dengue; and opined that a subsequent ailment of a Dengvaxia vaccinee that has a causal connection to the vaccination should be addressed under the proposed supplemental fund but

that one that does not have the same should be covered under the DOH's regular program and funding. Representative Nograles (K.A.) explained that the supplemental budget is focused on giving medical assistance to Dengvaxia victims inasmuch as it is sourced by Sanofi Pasteur's refund which covers unused vials of Dengvaxia vaccines.

Representative Lagman next asked about the lifespan of supplemental appropriation. He held that it should follow the one-year effectivity provision of the annual General Appropriations Act (GAA). Representative Nograles affirmed that the Committee proposed that the supplemental budget should be available for release and obligation until fully spent; and opined that the instant Bill would become a separate law from the GAA which has its own lifespan.

Thereupon, both Members delved into the scope of the profiling of Dengvaxia vaccinees.

SUSPENSION OF CONSIDERATION ON SECOND READING OF HOUSE BILL NO. 7449

On motion of Rep. Juan Pablo “Rimpy” P. Bondoc, there being no objection, the Body suspended consideration on Second Reading of House Bill No. 7449.

BUSINESS FOR THE DAY: COMMITTEE REPORT NO. 758 ON HOUSE BILL NO. 6475

On further motion of Representative Bondoc, there being no objection, the Body subsequently considered on Second Reading House Bill No. 6475, as embodied in Committee Report No. 758 and reported out by the Committees on Local Government, and Muslim Affairs, Special Committee on Peace, Reconciliation, and Unity, and the Committees on Appropriations, and Ways and Means.

Upon direction of the Chair, the Secretary General read the title of the Bill, to wit:

“AN ACT PROVIDING FOR THE BASIC LAW FOR THE BANGSAMORO AND ABOLISHING THE AUTONOMOUS REGION IN MUSLIM MINDANAO, REPEALING FOR THE PURPOSE REPUBLIC ACT NO. 9054, ENTITLED 'AN ACT TO STRENGTHEN AND EXPAND THE ORGANIC ACT FOR THE AUTONO-

MOUS REGION IN MUSLIM MINDANAO,' AND REPUBLIC ACT NO. 6734, ENTITLED 'AN ACT PROVIDING FOR AN ORGANIC ACT FOR THE AUTONOMOUS REGION IN MUSLIM MINDANAO,' AND FOR OTHER PURPOSES.”

As copies of the Bill had been distributed to the Members, on motion of Representative Bondoc, there being no objection, the Body dispensed with the reading of the text of the measure without prejudice to its insertion into the Record of the House.

Thereafter, on motion of Representative Bondoc, the Chair recognized Deputy Speaker Bai Sandra Sinsuat A. Sema for her sponsorship speech.

SPONSORSHIP SPEECH OF DEPUTY SPEAKER SEMA

Deputy Speaker Sema initially stated that in the 16th Congress, she had sponsored a bill similar to the measure at hand, but it was overtaken by the Mamasapano incident. She also recalled that President Rodrigo R. Duterte promised in his 2016 State of the Nation Address (SONA) to pass a law that truly reflects the aspirations of the Muslim people. Furthermore, she pointed out that in the 17th Congress, she and Rep. Gloria Macapagal-Arroyo filed their versions of the Bangsamoro Basic Law (BBL) which was reflective of the 16th Congress' House and Senate versions, respectively.

She then said that she and Representative Macapagal-Arroyo gave way to the BBL version of the Bangsamoro Transition Commission (BTC) as such was solemnly crafted by the major stakeholders of peace in Mindanao, non-Moro people, and indigenous people; indorsed by no less than the President himself; and principally authored by House leaders and Bangsamoro legislators. She also shared that through an omnibus motion she filed before the Joint Committees, the amended version would be reverted to the original BTC version and is now ready for her colleagues' consideration.

In conclusion, Deputy Speaker Sema expressed optimism that through prayers and the common aspiration for peace of Filipinos regardless of belief and culture, the Bangsamoro people would ultimately attain the long-awaited autonomy and peace especially in the current month of Holy Ramadan.

Thereupon, on motion of Rep. de Venecia, the Chair next recognized Rep. Ruby M. Sahali, Chairperson of the Special Committee on Peace, Reconciliation, and Unity, to deliver her sponsorship speech.

SPONSORSHIP SPEECH OF REPRESENTATIVE SAHALI

Representative Sahali at first described the long and tedious process the BBL proposal had gone through and how it left an overwhelming teaching and learning lesson and experience not just to her but to everyone who had worked hard especially in the Committee level. She then said that even if the proposal might leave some of her constituents in Tawi-Tawi unemployed, it is reflective of the Muslim people's pulse, common aspirations, and sentiments; is inclusive and people-oriented; and is a hallmark for national identity and a legacy for the next generation.

She then asked Congress to remember the historical injustices done to the Bangsamoro people and their lasting quest for peace and desire for political settlement; and to immediately pass the instant Bill.

SPONSORSHIP SPEECH OF REPRESENTATIVE PAPANDAYAN

Recognized by the Chair on motion of Representative Gullas, Rep. Mauyag "Jun" B. Papandayan Jr., Chairperson of the Committee on Muslim Affairs, related that the establishment of the Bangsamoro political entity is envisioned to address the long-standing clamor of the Bangsamoro community. He noted that the BBL gives life to the peace agreements signed between the Philippine Government and the Moro Islamic Liberation Front (MILF) in 2014.

Representative Papandayan said that the approval of the BBL would equate into life and hope for the Muslims after centuries of injustice while its disapproval would mean death to unity, peace, and reconciliation. Citing the cost of the Mindanao war as well as the Marawi siege, he stressed that it is time for the Members to come together and steer the course of the nation towards peace, prosperity, and brotherhood.

On motion of Representative Gullas, the Chair recognized Rep. Amihilda J. Sangcopan for her sponsorship speech.

SPONSORSHIP SPEECH OF REPRESENTATIVE SANGCOPAN

Representative Sangcopan said that the Bangsamoro people pray for peace in Mindanao; the passage of the BBL that will give security of domicile and a place where they can tend the roots they have

long grown in the nation; a chance to tell their history and narrative from their point of view, especially their resistance to colonial rule; the opportunity to address the historical injustices committed against them; and the strengthening of their kinship with the rest of the nation through the passage of the instant Bill.

She said that the approval of the BBL is offered not only for their *mujahideen* who sacrificed their lives for the Bangsamoro's right to self-determination but also for their future generations. Stressing that their future depends on passing the measure that gives them the tools to build and sustain the peace they all pray for, she sought the Members' support for the BBL.

On motion of Representative de Venecia, the Chair next recognized Rep. Pedro B. Acharon Jr., Chairperson of the Committee on Local Government, for his sponsorship speech.

SPONSORSHIP SPEECH OF REPRESENTATIVE ACHARON

Representative Acharon asked for the Body's approval of one of the most important pieces of legislation that has far-reaching implications to the nation's consciousness and future. He cited the cost of the long-standing war in Mindanao not only monetarily but physically and emotionally as well; and reminded the Body that a purely military solution to the problem is not the answer.

He asked the Members to open their minds and broaden their understanding of the Bangsamoro's aspirations because it was the Members' solemn duty to find ways to bring about a just and lasting peace, as he stressed that the Muslims' ethnicities and cultures may vary but they are still Filipinos like the rest of the citizenry.

At this point, Representative Acharon related the Joint Committees' deliberations on House Bill No. 6475. He expressed hope that the amendments that will be proposed thereon will be given the same latitude of understanding and acceptance that they deserve. He thanked his colleagues, the chairpersons of the sponsoring committees and special committee; Secretariat officials and employees; officials of the Armed Forces of the Philippines and Philippine National Police; BTC commissioners and the Office of the Presidential Adviser on the Peace Process (OPAPP); and the House leadership for their support, assistance, and cooperation.

ACKNOWLEDGMENT OF GUESTS

Representative de Venecia then acknowledged the presence in the Session Hall of the guests of Deputy Speaker Abu and Representatives Sangcopan and Reynaldo V. Umali.

On successive motions of Representative de Venecia, there being no objection, the Body proceeded to the period of interpellations and the Chair recognized Representatives Acharon and Atienza for sponsorship and interpellation, respectively.

INTERPELLATION OF REPRESENTATIVE ATIENZA

At the outset, Representative Atienza stated that he supports whatever will be good for his Muslim brothers as he enumerated projects that he implemented for them in Manila during his mayorship thereof. He also stressed that the attainment of true peace entails unity, equality, and justice.

He then sought clarification on the instant Bill's preamble and its sections on (1) Bangsamoro symbols of flag, emblem, and anthem, and (2) Bangsamoro police force. He expressed apprehension about legal questions that may be asked thereon as well as the full realization of the common aspiration of all Filipinos.

ACKNOWLEDGMENT OF GUESTS

At this point, Representative de Venecia acknowledged the presence in the Session Hall of their former colleague, the Honorable Sitti Djalila A. Turabin-Hataman of AMIN Party-List.

MANIFESTATION OF REPRESENTATIVE TAN (S.)

Next recognized by the Chair upon Representative de Venecia's motion, Rep. Shernee Abubakar Tan stated that she is not against the proposed BBL but was concerned about Section 3(a), Article XV of House Bill No. 6475 which states that once the majority of the people in the Autonomous Region in Muslim Mindanao (ARMM) votes in favor of the BBL, the Bangsamoro will be established and all ARMM provinces, cities, and areas will be part of the Bangsamoro territory. She held that this was unconstitutional as she cited Section 18, Article X of the Constitution which provides that only those geographic areas voting favorably in a plebiscite for the creation of an autonomous region shall be included in said unit.

She also informed the Body that the Bangsa Sug Consensus recently held in Zamboanga which was attended by different sectors from Zamboanga, Basilan, Sulu, and Tawi-Tawi, expressed alarm that their voices will not be heard if House Bill No. 6475 will not be amended. The large number of voters from Maguindanao and Lanao del Sur will effectively outvote these provinces, she explained, thus forcing them to join the Bangsamoro notwithstanding their strong dissent.

As Representative Tan then pointed out that consultation is an essential part of the legislative process and free choice should always be respected, she said that she will propose an amendment in the aforesaid section such that only the ARMM geographic areas which vote in favor of the BBL shall be part of the proposed Bangsamoro entity.

INTERPELLATION OF REPRESENTATIVE LAGMAN

Recognized by the Chair on motion of Representative de Venecia, Representative Lagman stated that he is not against giving autonomy as well as freedom of choice and the opportunity for progress and development, to their Muslim brothers and sisters. He however stressed that Congress and the people must respect and uphold the majesty of the Constitution.

Representatives Lagman and Acharon then debated on the abolition of a constitutional entity such as the ARMM as they discussed Sections 15, 18, and 19 of Article X of the Constitution. The former opined that the BBL is completely supplanting and abolishing the ARMM whereas it could only be abolished by constitutional amendment; while the latter held that what was sought to be created is an autonomous region which will still enjoy autonomy.

Concluding his interpellation, Representative Lagman opined that Congress was following a flawed procedure in abolishing the ARMM and substituting it with the BBL without first amending the Constitution.

ACKNOWLEDGMENT OF GUESTS

At this point, Representative de Venecia acknowledged the presence in the Session Hall of the guests of Speaker Pantaleon D. Alvarez and Rep. Maria Carmen S. Zamora.

INTERPELLATION OF REPRESENTATIVE DIMAPORO (M.K.)

Next recognized by the Chair on motion of Representative de Venecia, Rep. Mohamad Khalid

Q. Dimaporo first cited the attacks made by the MILF in some municipalities in Lanao del Norte and stated for the record that the latter would be the first to benefit from the proposed BBL because its people look forward to achieving peace.

Representative Dimaporo then inquired on the status of the local resolutions of six municipalities in his province which asked for their exclusion from the coverage of the BBL. He pointed out that while the instant Bill considers them as part of the core territory of the Bangsamoro based on a 2001 plebiscite that included them in the ARMM, the Sponsor himself said that the records of the Commission on Elections (Comelec) thereon were burned down. He asserted that it is the people and not Congress that should define the Bangsamoro's territory; and pointed out that during the plebiscite on the ARMM, municipalities were not allowed to vote.

Despite Representative Acharon's explanation that all petitions or communications were sent to the Joint Committees but the latter adopted the original version of House Bill No. 6475 without amendments and approved the decision of the majority, Representative Dimaporo further argued about the constitutionality of including the aforesaid municipalities.

Thereupon, the two Members debated on the amount and rationale of the annual block grant for the Bangsamoro under the proposed Bill. Representative Dimaporo remarked that (1) compared with the allocation of other regions especially the ARMM and based on the provisions on revenue generation and wealth sharing of the comprehensive agreement on the Bangsamoro, it was very huge; and (2) it would not pass through the scrutiny of Congress thus allowing its unsupervised expenditure.

At this point, Representative Dimaporo questioned the absence in the Bill of a provision for a Deputy Ombudsman in the Bangsamoro; and asked whether good governance and transparency and accountability in the implementation of projects will be practiced in the Bangsamoro and whether the latter will use its huge funds for the rehabilitation of Marawi. The Sponsor said that it is the Bangsamoro's responsibility to appropriate funds for areas within their jurisdiction; and will welcome his colleague's proposal to add more funds for Marawi if needed.

After he pointed out that the peace agreement that is being talked about involves only the MILF

and the Moro National Liberation Front (MNLF) but no other rebel groups, Representative Dimaporo concluded his interpellation by expressing hope that the leadership will level the uncertainty about the constitutionality of the BBL.

He also expressed hope that the passage of the BBL will lead the country into a path of sustainable peace and not the questionable peace that the MILF and their ground troops or leaders demand; and that the House leadership will also consider the plight of the victims of the Mamasapano massacre and Zamboanga City siege and punish those responsible for the same.

REMARKS OF MAJORITY LEADER FARIÑAS

Before the Body could continue with other interpellations, Majority Leader Rodolfo C. Fariñas read into the records a communication from the President of the Republic of the Philippines dated May 29, 2018 addressed to Speaker Alvarez, certifying to the necessity of the immediate enactment of House Bill No. 6475 or the proposed BBL in order to advance the creation of a new autonomous region in Muslim Mindanao. He continued that the passage of the measure is a manifestation of the government's commitment to address the diverse needs of the people in the Bangsamoro and all communities and constituents of Mindanao, towards a just and lasting peace in the region and in the Philippines as a whole.

The Chair thereafter referred the communication to the Committee on Rules for proper disposition.

On motion of Representative Gullas, the Chair thereafter recognized Representative Acharon who yielded the floor to Representative Papandayan, Chairperson of the Committee on Muslim Affairs, to defend House Bill No. 6475, and Rep. Celso L. Lobregat for his interpellation.

INTERPELLATION OF REPRESENTATIVE LOBREGAT

At the outset, Representative Lobregat stated that he has always been for peace and opined that they need a BBL that is fair not only to the Bangsamoro but also for the other people in Mindanao, and is acceptable and feasible as well as consistent with the Constitution.

Afterwards, he discussed with Representative Papandayan the rationale of holding a plebiscite

every five years to determine if other areas outside those mentioned in the BBL would opt to join the Bangsamoro. He remarked that the BBL was one-sided because it did not provide for those who wanted to get out of the Bangsamoro and left it to the 17th Congress to impose the expanding plebiscite on other Congresses.

After Representative Acharon, to whom Representative Papandayan yielded the sponsorship of the Bill, said that Representative Lobregat may propose an amendment regarding the plebiscites, the latter said that he will also propose to define contiguity to refer to land mass as well as waters over which the Bangsamoro has jurisdiction.

Thereafter, Representative Lobregat read into the records the proceedings of the Constitutional Commission of August 19, 1986 with regard to the creation of an autonomous region being effective only upon approval by majority of the voters of the constituent units in a plebiscite called for the purpose provided that only provinces, cities, and geographic areas voting in such a plebiscite shall be included in the autonomous region. He concluded that a barangay or municipality cannot join an autonomous region unless the municipality/city and province, respectively, gives its consent.

Furthermore, Representative Lobregat said that he will also propose at the proper time an amendment in the Bill's article on fiscal autonomy so that properties of government-owned and -controlled corporations in areas that will not vote for their inclusion in the Bangsamoro shall be sold, donated, or conveyed to the local government units where they are located. The Sponsor welcomed the same.

Finally, Representative Lobregat said that he will also propose an amendment such that the Bangsamoro shall only be involved in policy formulation but not regulation in the so-called zones of joint cooperation.

After reminding the Sponsor that the instant Bill abolishes the ARMM and might be unconstitutional, Representative Lobregat cited the reservations of the PNP, AFP, and Department of National Defense about some provisions of the measure especially as regards the power of the chief minister.

Representative Lobregat thereafter inquired on the number and status of the existing ARMM employees.

SUSPENSION OF SESSION

On motion of Representative de Venecia, the session was suspended at 8:23 p.m.

RESUMPTION OF SESSION

The session resumed at 8:25 p.m.

**INTERPELLATION OF
REPRESENTATIVE LOBREGAT**
(Continuation)

Representative Acharon clarified that the ARMM has 30,000 employees, and that those who would be removed from service would be given separation pay.

REMINDER FROM THE CHAIR

The Chair stated that the time of Representative Lobregat had already expired.

**EXTENSION OF REPRESENTATIVE
LOBREGAT'S TIME**

On motion of Representative de Venecia, there being no objection, the Body extended Representative Lobregat's time by one minute.

**INTERPELLATION OF
REPRESENTATIVE LOBREGAT**
(Continuation)

Finally, Representative Lobregat inquired why the Bangsamoro would be given a percentage of the tax collections of the Bureau of Customs while other local government units will not enjoy the same. He stressed that he is for peace but not at the expense of the Republic.

On motion of Representative de Venecia, the Chair recognized Rep. Carlos Isagani T. Zarate for his interpellation.

**INTERPELLATION OF
REPRESENTATIVE ZARATE**

To Representative Zarate's concern that the proposed law, like all the other similar laws that were passed by previous Administrations, would still fail to solve the issue of the Muslim people, Representative Acharon said that while the measure cannot guarantee the same, the agreement being forged now goes back to the agreements that were made since the 1970s, and that the additional powers and financial assistance that would be given to them would achieve peace and contentment among them.

Representative Zarate then discussed with Representative Acharon the presence of foreign troops

in the Bangsamoro region. The latter stated that it is still the national government that would decide on the conduct of any foreign military exercise considering that the proposed Bangsamoro Government is still under the national government.

Thereupon, Representative Zarate inquired whether the proposed measure has a provision on agrarian reform program to address the socio-economic root of rebellion in the Bangsamoro region.

SUSPENSION OF SESSION

On motion of Representative Acharon, as seconded by Representative Gullas, the session was suspended at 8:50 p.m.

RESUMPTION OF SESSION

The session resumed at 8:51 p.m.

**INTERPELLATION OF
REPRESENTATIVE ZARATE**
(Continuation)

Representative Acharon, at this point, discussed the creation of a Ministry of Agriculture, Fisheries and Agrarian Reform under the Bangsamoro Government; said that there is no need to specify in the proposed measure an agrarian reform program which is already provided for in Republic Act (R.A.) No. 9054; and affirmed that at the proper time, he would entertain amendments on the matter.

Thereupon, both Members discussed the management and protection of the natural and mineral resources in the Bangsamoro region and the policy on establishing therein a progressive and industrialized economy including welcoming foreign investments.

To end his interpellation, Representative Zarate underscored that rebellion and war in Mindanao can be attributed to the Bangsamoro people's unrelenting quest for self-determination and independence and lack of power over their territory as well as the socio-economic and political conditions in Mindanao and the entire country. He said that the Members should consider the Bill, which was certified as urgent, as one solution to the Bangsamoro issue.

On motion of Representative Gullas, the Chair recognized Representatives Sahali and Maximo B. Rodriguez Jr. for sponsorship and interpellation, respectively.

INTERPELLATION OF REPRESENTATIVE RODRIGUEZ (M.)

To Representative Rodriguez' initial queries, Representative Sahali discussed the importance and urgency of passing the BBL not just for the sake of the Muslim people but non-Muslims as well; and for improving the delivery of basic services to the Bangsamoro, correcting the injustices of the past, and solving the existing problems of insurgency and extremism in the Mindanao regions.

Expressing apprehension that the empowerment and expansionism of Muslim communities could widen their gap with Christians, Representative Rodriguez then opined that in order to achieve lasting peace in Mindanao and other regions, what was needed was a federal form of government.

At this point, Representative Rodriguez expressed belief that the Christians in Mindanao were not prepared for the BBL; both Christians and Muslims deserve a bigger budget and the same attention the government provides to other provinces; and that the passage of the BBL would result in more hardship for Mindanao. He enumerated the provisions of the BBL that need to be reexamined and or amended so as to remove the duplication of functions between the national government and the proposed Bangsamoro Government. .

On motion of Representative de Venecia, the Chair recognized Rep. Ariel "Ka Ayik" B. Casilao for his interpellation.

INTERPELLATION OF REPRESENTATIVE CASILAO

At the outset, Representative Casilao said that he fully supports the struggle of the Bangsamoro people for genuine autonomy and their right to self-determination. After discussing the ignorance and misinformation about Muslims as well as the historical injustices experienced by them, he discussed with Representative Sahali the definition of the words "genuine autonomy."

Thereupon, the two Members discussed how other rebel groups such as the Bangsamoro Islamic Freedom Fighters (BIFF) will appreciate the Bill; how the Bangsamoro perceives labor and employment; and how should the right to self-determination be defined.

Representative Casilao then maintained that even if there is no guarantee that the BBL is an absolute solution to the problems of the Bangsamoro,

it would address the historical injustices suffered by the Bangsamoro people.

Thereafter, on motion of Representative de Venecia, the Chair recognized Rep. Gary C. Alejano for his interpellation.

INTERPELLATION OF REPRESENTATIVE ALEJANO

Representative Alejano initially gave an account of his personal experience in the ARMM as a member of the AFP, saying he witnessed the lack of services suffered by the people and the anomalies committed by the AFP therein. He stressed that there is no other way of achieving peace in Mindanao but to talk peace as he opined that the military solution alone will not solve the problems in the country.

Then stating that the ARMM was a failed experiment according to the previous Administration, Representative Alejano asked the Sponsor if there was a comprehensive study on how the ARMM was implemented. The latter replied in the affirmative after which he underscored that House Bill No. 6475 gives more resources and powers to the Bangsamoro in order to help propel its development.

Despite Representative Alejano's contention that the problems encountered and anomalies committed in the ARMM could not be addressed by passing another law, Representative Acharon said that there is a need to encourage the Moro people to improve governance and enjoy real autonomy.

The two Members thereafter discussed the sourcing of the annual block grant for the Bangsamoro from the collections of the Bureau of Internal Revenue (BIR) and the Bureau of Customs (BOC); the Bangsamoro Parliament's sole responsibility of allocating the same, and the equitable distribution thereof to the different parts of the Bangsamoro.

Representative Acharon added that the Bangsamoro government shall be given fiscal autonomy and allowed to allocate its own funds subject to monitoring by the concerned national agencies; and that indigenous peoples and other traditional leaders as well as other areas and non-Moro groups will be well represented in budget preparation.

At this juncture, Deputy Speaker Abu relinquished the Chair to Rep. Roger G. Mercado.

Thereafter, the Members discussed the uniformed agencies in Bangsamoro Region that would still be under the control and supervision of the national government.

Whereupon, Representative Mercado relinquished the Chair to Deputy Speaker Abu.

Representative Acharon further clarified that during the caucus with the Bangsamoro Transition Commission, House Bill No. 6475 was adopted without amendments but that amendments on national defense and security matters would later on be discussed in plenary session. He also affirmed that the PNP in the Bangsamoro would be national in scope and civilian in character, with the formation thereof based on established laws just like R.A.s No. 8551 and 6975.

The Members subsequently discussed Malaysia's efforts to mediate for the national government and the MNLF in achieving peace and development in the area. With Representative Alejano taking note of how Malaysia has supported the MNLF by providing arms and resources, Representative Acharon stressed that the selection of groups to help in the mediation process rests with the Executive Department.
