THE PRIVILEGE HOUR

The day being a Monday, on motion of Representative Bondoc, there being no objection, the Chair declared a Privilege Hour.

PRIVILEGE SPEECH OF REPRESENTATIVE DE JESUS

Recognized by the Chair, Representative De Jesus discussed the need for government support in strengthening rural electrification initiatives in the country. He explained that despite decades of electrification efforts, many rural and remote areas are still unconnected to the electric power grid.

Representative De Jesus subsequently explained why rural electrification was the key to developing the countryside and addressing the poverty problem. He pointed out that total electrification of rural areas still has a long way to go, and asked his colleagues to support the Expanded Rural Electrification Program, including the rural electric cooperatives.

REFERRAL OF PRIVILEGE SPEECH OF REPRESENTATIVE DE JESUS

On motion of Representative Bondoc, there being no objection, the Body referred Representative De Jesus’ privilege speech to the Committee on Rules.

Thereafter, the Chair next recognized Rep. Rico B. Geron upon Representative Bondoc’s motion.

PRIVILEGE SPEECH OF REPRESENTATIVE GERON

Representative Geron spoke about the threats to livelihood, life, health, and food security posed by the African swine fever (ASF) virus on millions of local hog farmers and their families and on the general public. He said that the virus was highly contagious and had no cure or vaccine; and that ASF virus-contaminated meat products had already entered the country.

He asked the national government, local government units, government agencies, and other stakeholders to help in the monitoring, blocking, and disinfection of meat products and livestock concerned; in conducting an information campaign on ASF; and in providing insurance and other safety nets for hog farmers. He also asked the Members to support a resolution which he had filed to determine the readiness of the government and the private sector to address problem.

**REFERRAL OF PRIVILEGE SPEECH
OF REPRESENTATIVE GERON**

There being no Member who wished to interpellate, on motion of Representative Bondoc, there being no objection, the Body referred Representative Geron's privilege speech to the Committee on Rules.

ACKNOWLEDGMENT OF GUESTS

On motion of Representative Bondoc, the Chair then recognized Rep. Carl Nicolas C. Cari's guests.

Thereafter, the Chair recognized Rep. Sergio C. Dagooc upon Representative Bondoc's motion.

**PRIVILEGE SPEECH OF
REPRESENTATIVE DAGOOC**

Delivering a speech on the relevance of the National Electrification Administration (NEA), Representative Dagooc initially expressed gratitude to the officers and member-consumers and owners of the Association of Philippine Electric Cooperatives (APEC) and to the advocates of rural electrification.

He then cited the noble causes of electric cooperatives and the achievements and milestones the NEA has achieved in undertaking several projects and activities as embodied in its seven-point electrification agenda. He however stated that there is still so much to do to improve the quality of the agency's services and to achieve sustainable rural development in the country.

To achieve these objectives, he said he filed a bill converting the NEA into the National Electrification Authority which will revolutionize it into an agency that will expedite the electrification of the countryside to meet and sustain the country's dire need for economic development and lead the rural folks towards freedom from the shackles of poverty.

Representative Dagooc then congratulated the NEA for its golden anniversary and for its successful implementation of the government's Rural Electrification Program. He also gave the assurance that the NEA, together with the electric cooperatives and their member-consumer-owners, would continue to be partners in realizing sustainable rural development through rural electrification.

**REFERRAL OF PRIVILEGE SPEECH
OF REPRESENTATIVE DAGOOC**

On motion of Rep. Precious Hipolito Castelo, there being no objection, the Body referred Representative Dagooc's privilege speech to the Committee on Rules.

ACKNOWLEDGMENT OF GUESTS

At this point, Representative Castelo acknowledged the presence in the Session Hall of the guests of Rep. Josefina B. Tallado.

Thereafter, on motion of Representative Castelo, the Chair recognized Rep. Godofredo N. Guya for his privilege speech.

**PRIVILEGE SPEECH
OF REPRESENTATIVE GUYA**

After a video clip presentation, Representative Guya introduced the One Electric Cooperative Member-Consumer-Owners (One EC-MCO) Movement, to which he said he owed his position and whose membership comprising of electric cooperatives works hand and hand with the NEA to bring electricity to over 13 million households or 60 million consumers across the country.

As these electric cooperatives had ventured to deliver electricity even to missionary or economically unviable areas, Representative Guya underscored that privatization should never be an option because this would mean that MCOs will have to give up ownership of electric cooperatives to persons whose priority is profit, and not their welfare. Together with the other Representatives of electric cooperatives in Congress, he assured that they would faithfully defend the rights of the MCOs as real owners of electric cooperatives and would continuously stand up for their advocacies. This, as he encouraged them to unite and actively participate in advancing these causes.

**REFERRAL OF PRIVILEGE SPEECH
OF REPRESENTATIVE GUYA**

On motion of Rep. Claudine Diana D. Bautista, there being no objection, the Body referred Representative Guya's privilege speech to the Committee on Rules for its appropriate action.

ACKNOWLEDGMENT OF GUESTS

At this juncture, Representative Bautista recognized the presence in the Session Hall of the guests of Rep. Leonardo L. Babasa Jr.

On another motion of Representative Bautista, the Chair recognized Rep. Adriano A. Ebcas to deliver his privilege speech.

PRIVILEGE SPEECH OF REPRESENTATIVE EBCAS

Representative Ebcas gave credit to rural electric cooperatives for having served millions of MCOs and then recounted how they came into existence and how they continue to deliver their services as a strategic partner of the government in rural electrification. He emphasized that franchises by virtue of Presidential Decree No. 269 had allowed electric cooperatives to operate for the welfare of the people, in contrast to how private investor-owned utilities manage their business for profit. He emphasized that these franchises should be protected and not revoked especially without first consulting the electric cooperatives concerned.

Representative Ebcas also discussed the partnership between the electric cooperatives and the NEA to energize the provinces, cities, and municipalities in the country especially the far-flung barangays and sitios; uplift the living conditions in the countryside; and attain total electrification of the country by 2022.

REFERRAL OF PRIVILEGE SPEECH OF REPRESENTATIVE EBCAS

On motion of Representative Bautista, there being no objection, the Body referred Representative Ebcas' privilege speech to the Committee on Rules for its appropriate action.

PRIVILEGE SPEECH OF REPRESENTATIVE ROMERO

Recognized by the Chair upon motion of Representative Bautista, Rep. Michael L. Romero, PhD spoke on accelerating the Philippine Electrification Program and recommended changing the charter of the NEA to grant it more powers and rename it to the "National Electrification Authority," thus making it autonomous and giving its own budget allocation to electrify the entire country.

At this point, Deputy Speaker Hernandez relinquished the Chair to Deputy Speaker Prospero A. Pichay Jr.

Thereupon, Representative Romero explained the advantages of converting the NEA into an authority and then enjoined his colleagues to rally behind the electrification program of the government by: (1) giving the NEA more autonomy in the discharge of its functions through its conversion into an Authority; (2) putting in place and implementing the Accelerated Rural Electrification Program until 2022; and (3) channeling a budget allocation of ₱28.5 billion for this program.

Deputy Speaker Pichay then relinquished the Chair to Deputy Speaker Hernandez.

On motion of Representative Castelo, the Chair recognized Rep. Edcel C. Lagman for his interpellation.

INTERPELLATION OF REPRESENTATIVE LAGMAN

Representative Lagman initially congratulated Representative Romero for his speech and the NEA on its golden anniversary together with its implementing partner, the rural electric cooperatives. He added that he had been very supportive of NEA and even caused the allocation of billions of pesos for sitio electrification when he was chairperson of the Committee on Appropriations.

Representatives Lagman and Romero then discussed the reasons why 13 million Filipinos were still living in darkness due to lack of electricity; the lack of funds for the full implementation of the Barangay Electrification Program; and the areas of concentration of the unenergized sitios or the so-called unprofitable areas in the country.

To subsequent queries of Representative Lagman, Representative Romero yielded the floor to Representative De Jesus with the permission of the Chair. The latter affirmed that for the past 50 years, no private electric company had dared to electrify or energize the far-flung sitios. He then identified the geographical distribution of the 2.4 million households residing in unenergized barangays.

Subsequently, Representative Lagman looked into the financial performance of the NEA by asking about its earnings, collection efficiency,

government subsidies and its remittances. He emphasized that all information was important to be able to advocate for the conversion of the NEA into an independent agency.

As Representative De Jesus was not privy to specific financial figures, he assured that such details would be available in time for the deliberation on the bill seeking the agency's conversion into an authority.

Representative Lagman suggested to explore during the budget hearing, the performance of the NEA and the Department of Energy considering the significant cut in NEA's 2019 budget. He thereby expressed his support in completing electrification efforts in the country.

INTERPELLATION OF MINORITY LEADER ABANTE

On motion of Representative Bondoc, there being no objection, the Chair recognized Minority Leader Bienvenido M. Abante Jr. who initially asked which specific areas were yet to be provided with electric power.

Representative De Jesus clarified that only sitios in remote areas compose the 16 percent that still lack electric supply, and about 50 percent of these are situated in Mindanao. He also explained that while municipalities and cities already have electricity, electric cooperatives could not fully support electrification of remote areas since these are non-stock and non-profit agencies. Thereafter emphasizing the need for a crucial partnership between the Senate and the House of Representatives in this effort, Minority Leader Abante expressed the support of the Minority bloc in the initiative towards the electrification of these unreached areas.

At this juncture, Deputy Speaker Hernandez relinquished the Chair to Deputy Speaker Evelina G. Escudero.

INTERPELLATION OF REPRESENTATIVE ROMUALDO

On motion of Representative Bondoc, the Chair recognized Rep. Xavier Jesus D. Romualdo who said that when he was the chairperson of the Committee on Good Government and Public Accountability in the previous Congress, he found out that the electrification of sitios resulted in increased

systems losses. Representative Dagooc, to whom Representative De Jesus yielded the floor and whom the Chair recognized upon Representative Bondoc's motion, explained why the same was true.

Representatives Romualdo and Dagooc then agreed that the solution to the problem was to install additional power substations in the sitios and that the proposed National Electrification Authority Bill should provide for a budget for the same so that the cost of rural electrification will not be at the expense of electricity consumers.

REFERRAL OF PRIVILEGE SPEECH OF REPRESENTATIVE ROMERO

There being no more Members who wished to interpellate, on motion of Representative Bondoc, there being no objection, the Body referred Representative Romero's privilege speech and the interpellations thereon to the Committee on Rules.

ACKNOWLEDGMENT OF GUESTS

Representative Bondoc, at this point, acknowledged the presence in the Session Hall of two former Members of the House of Representatives, namely: Hon. Edgardo R. Masongsong, who is the incumbent NEA administrator, and Hon. Satur C. Ocampo.

EXTENSION OF THE PRIVILEGE HOUR

On motion of Representative Bondoc, there being no objection, the Chair extended the Privilege Hour for another hour.

PRIVILEGE SPEECH OF REPRESENTATIVE CASTRO (F.L.)

Recognized by the Chair upon Representative Bondoc's motion, Rep. France L. Castro expressed grief and rage over the recent killing of educators, human rights lawyers, leaders, and simple farmers and farmworkers in Negros Occidental as well as past and continuous extrajudicial killings (EJKs) in the country. She challenged the statement of the chief of the Philippine National Police (PNP) that said incident was being exaggerated; and asked Congress to use its powers of oversight and investigation in aid of legislation, to end EJKs as well as the red-tagging and threatening of critics of anti-people government policies and of progressive groups and individuals.

As she demanded justice for the victims and accountability for the perpetrators, an end to the malicious practice of red-tagging, and a return to the negotiating table, Representative Castro stated that most of the victims were red-tagged and there was a clear indication that the police or military had a hand in the killings and the murders were done with impunity, which only showed that the government was behind such activities. She then called on the House leadership to immediately organize the Committee on Human Rights in order to discuss several House resolutions calling for an investigation on the grave human rights violations and killings in Negros Island.

Thereafter, on motion of Representative Bondoc, the Chair recognized Rep. Jesus “Bong” C. Suntay for his interpellation.

INTERPELLATION OF REPRESENTATIVE SUNTAY

Representatives Suntay and Castro (F.L.) focused their discussion on the identity of the perpetrators in the spate of killings in Negros in which the former expressed concern on the positive identification of uniformed police personnel who were supposed to be behind the killings. He stressed that the wearing of a police uniform does not necessarily make them members of the PNP.

For her part, Representative Castro replied that the spate of killings in Negros was based on eyewitness account pointing out that the perpetrators were uniformed police and military personnel, the reason why she was requesting that Congress investigate the matter in order to ferret out the truth and give justice to the victims and their families.

While sharing the sentiment of Representative Castro on serving true justice for the victims, Representative Suntay however pointed out that condemnation should be accorded to the right people by conducting a fair and honest investigation and giving the alleged police-perpetrators the benefit of the doubt in fairness to other men in uniform who have been working hard to deliver genuine peace and order in the country.

INTERPELLATION OF REPRESENTATIVE BROSAS

Recognized by the Chair upon motion of Representative Bondoc, Rep. Arlene D. Brosas said that Gabriela Women’s Party was in unison with Repre-

sentative Castro (F.L.) in condemning the series of EJKs in Negros and the red-tagging of individuals whose only primary concern was to uphold their basic human rights.

Representative Brosas thereafter exchanged views with Representative Castro on government policies to bring about inclusive and sustainable peace through Memorandum Order No. 32 and Executive Order No. 70, both of which, according to the latter, had resulted in series of killings and more insurgency problems particularly in Negros. The two Members agreed that these policies, as well as militarization, EJKs, and harassment cannot resolve the problems of poverty, social injustice, land reform, and insurgency. Representative Brosas said that the government should instead resume the peace talks to properly address the issue of armed conflict in the country.

On motion of Representative Bautista, the Chair next recognized Rep. Carlos Isagani T. Zarate for his interpellation.

INTERPELLATION OF REPRESENTATIVE ZARATE

Representatives Zarate and Castro (F.L.) discussed the real condition of people in Negros during the so-called “*tiempo muerto*” or “season of death” and how it became literally so by the killings and red-tagging of several Negrense as being members of communist rebel groups.

As he believed that the root cause of continuing rebellion in the country was poverty and social injustice, Representative Zarate expressed his support and agreed with Representative Castro that martial law and militarization were not the solution to attain peace in Negros and Mindanao; supported the call of the bishops and the Church as well as different peace advocates to resume the peace talks between the government and the National Democratic Front of the Philippines; appealed to the military and the police to stop the killings of the people of Negros; and asked Congress to conduct an investigation on the Negros killings.

REFERRAL OF PRIVILEGE SPEECH OF REPRESENTATIVE CASTRO (F.L.)

There being no other Members who wished to interpellate, on motion of Representative Castelo, there being no objection, the Body referred Representative Castro’s privilege speech to the Committee on Rules.

PRIVILEGE SPEECH OF REPRESENTATIVE DEFENSOR (L.)

Recognized by the Chair upon motion of Representative Castelo, Rep. Lorenz R. Defensor spoke about the tragedy that struck the provinces of Iloilo and Guimaras last August 3, 2019 when two vessels collided and another one capsized that had caused the loss of lives of 31 people including four teachers from Lambunao National High School which is part of his congressional district.

He expressed his sadness and condoled with the families of those who lost their lives; called upon the Members to enact measures that will ensure the safety of passengers, including the passage of a Department of Disaster Risk Management Bill and providing the necessary funds therefor; banked on the coast guards and port officials to be conscientious in performing their duties in ensuring the safety of passengers and to swiftly conduct search and rescue operations in tragedies such as this; and challenged the government to increase support to relevant agencies involved in public safety to enable them to properly enforce all laws within Philippines waters.

REFERRAL OF PRIVILEGE SPEECH OF REPRESENTATIVE DEFENSOR (L.)

On motion of Representative Castelo, there being no objection, the Body referred Representative Defensor's privilege speech to the Committee on Rules.

TERMINATION OF THE PRIVILEGE HOUR

At this point, on motion of Representative Castelo, there being no objection, the Body terminated the Privilege Hour.
