REMARKS OF THE CHAIR

At this point, Deputy Speaker Legarda requested everyone to observe silence whenever possible or keep the discussions on the floor discreet to maintain order while the session was ongoing.

QUESTION OF PRIVILEGE OF REPRESENTATIVE ATIENZA

Subsequently, Rep. Jose L. Atienza Jr. rose on a question of privilege and asked for the reason for dispensing the roll call which should have been taken up first in the agenda.

REMARKS OF THE CHAIR

Deputy Speaker Legarda explained that there was no objection to the earlier motion to defer the roll call. Thereafter, the Chair asked the Majority floor leader whether a quorum was already present so the Body could proceed with the calling of the Roll.

MOTION OF REPRESENTATIVE BONDOC

Representative Bondoc said the motion for deferment of roll call was made to allow Members

to enter the Session Hall. Thereafter, he moved to call the Roll of Members.

**QUESTION OF PRIVILEGE
OF REPRESENTATIVE ATIENZA**
(Continuation)

Representative Atienza thereafter asked for a copy of the Journal of the previous session, the approval of which, he noted, should have been the second item in the Body's Order of Business. Further, he requested that all Members, whether present or absent, should always be given a copy of the Order of Business and the Journal of the previous session. He also encouraged the Body to follow the items accordingly as indicated in the agenda and not to repeat the improper practices of past Congresses.

REMARKS OF REPRESENTATIVE BONDOC

In response, Representative Bondoc explained that the Journal was not printed in time for the day's session because of the volume of legislation being proposed by their colleagues. Subsequently, he again moved to call the Roll of Members.

**REMARKS OF
REPRESENTATIVE DEFENSOR (M.)**

At this point, Rep. Michael T. Defensor remarked that there were formal motions to dispense with the roll call and the approval of the Journal, which the Body approved accordingly; hence, the proceedings were in order.

REMARKS OF THE CHAIR

The Chair affirmed the accuracy of the points raised by Representative Defensor (M.) as well as took note of Representative Atienza's manifestations which she said merely reiterated the plenary rules.

**REMARKS OF
REPRESENTATIVE ATIENZA**

Representative Atienza pointed out that according to the Rules of the House, any Member can rise on a question of privilege and interrupt the proceedings. He again pointed out the need to distribute copies of the Journal and Order of Business to the Members for their review and reference.

MESSAGE FROM THE PRESIDENT

MALACAÑAN PALACE
MANILA

JUL 26 2019

THE HONORABLE SPEAKER
and Members of the House of Representatives
House of Representatives
Batasan Hills, Quezon City

Ladies and Gentlemen:

Pursuant to Section 27(1), Article VI of the 1987 Constitution, I am returning herewith without my signature the consolidated enrolled **Senate Bill No. 1826 / House Bill No. 6908**, entitled:

"AN ACT STRENGTHENING WORKERS RIGHT TO SECURITY OF TENURE, AMENDING FOR THE PURPOSE ARTICLES 106, 107, 108, AND 109 OF BOOK III, AND ARTICLES 294, 295, 296, AND 297 OF BOOK VI OF PRESIDENTIAL DECREE NO. 442, OTHERWISE KNOWN AS THE LABOR CODE OF THE PHILIPPINES, AS AMENDED,"

I stand by my firm commitment to protect the workers' right to security of tenure by eradicating all forms of abusive employment practices. Our goal, however, has always been to target the abuse, while leaving businesses free to engage in those practices beneficial to both management and the workforce. While the bill mostly codifies into law existing rules, regulations, orders, and jurisprudence on matters of labor-only contracting and security of tenure, it likewise unduly broadens the scope and definition of prohibited labor-only contracting, effectively proscribing forms of contractualization that are not particularly unfavorable to the employees involved.

Indeed, while labor-only contracting must be prohibited, legitimate job-contracting should be allowed, provided that the contractor is well capitalized, has sufficient investments, and affords its employees all the benefits provided for under the labor laws. Businesses should be allowed to determine whether they should outsource certain activities or not, **especially when job-contracting will result in economy and efficiency in their operations, with no detriment to the workers, regardless of whether this is directly related to their business.** This is especially critical since empirical data shows that the Philippines is currently at a disadvantage already in terms of cost and flexibility of labor use compared to its peers in the region.

The Supreme Court of the Philippines, on several occasions, has ruled that while the Philippine Constitution provides that the State shall protect the rights of workers and promote their welfare, such constitutional policy is not intended to oppress or destroy capital and management, and a healthy balance between the conflicting interests of labor and management must be observed. I believe the

THE PRESIDENT OF THE PHILIPPINES

sweeping expansion of the definition of labor-only contracting destroys the delicate balance and will place capital and management at an impossibly difficult predicament with adverse consequences to the Filipino workers in the long term.

In view of these considerations, I am constrained to veto the above mentioned Enrolled Bill.

Very truly yours,

Copy furnished:

THE PRIVILEGE HOUR

With leave of the House, on motion of Representative Bondoc, there being no objection, the Chair declared a Privilege Hour.

PRIVILEGE SPEECH OF REPRESENTATIVE BELMONTE

Recognized by the Chair upon motion of Representative Bondoc, Rep. Jose Christopher Y. Belmonte spoke about the robust composition of the House Minority bloc and their commonality with every Member of the House, whose goal is to work together in crafting laws that would improve the lives of the people.

After airing his displeasure over the sedition charges filed against Vice President Robredo and the Otso Diretso senatorial candidates who merely called out the current Administration's false narratives, false hopes and false priorities, Representative Belmonte expressed optimism that after due and impartial process, the investigation will bear them out, as Bikoy's allegations were all fictitious.

Thereafter, on motion of Rep. Precious Hipolito Castelo, the Chair recognized Rep. Edcel C. Lagman for his interpellation.

INTERPELLATION OF REPRESENTATIVE LAGMAN

Representatives Lagman and Belmonte focused their discussion on the content of the sworn statements submitted by Peter Joemel Advincula alias Bikoy dated May 29, 2019 and July 17, 2019, accusing VP Robredo and the Otso Diretso senatorial candidates with sedition, inciting to sedition, libel, cyber libel, and obstruction of justice. The two Members were in unison that based on the sole statements of an admitted ex-convict, and considering the absence of elements that should be existing in seditious acts as cited in the Revised Penal Code, it cannot be proven that the respondents committed such crimes, and opined that the Department of Justice (DOJ) should immediately drop the case against them.

Thereafter, citing his contra-SONA speech and other speeches from the Minority that critiqued the SONA, Representative Lagman deduced that to be

an effective fiscalizer, one should not be co-opted by the Majority.

INTERPELLATION OF REPRESENTATIVE DEFENSOR

Representative Defensor said that while Representative Belmonte's speech appeared to imply that there was an institutional attack against the opposition, he clarified that the case was filed by the Philippine National Police. He then expressed his confidence in the leadership and fairness of Secretary of Justice Menardo Guevarra, and that the opposition would be treated justly. Representative Belmonte then responded that even though Secretary Guevarra would do his best to render justice, there are other realities in the country that might affect the case differently.

REFERRAL OF PRIVILEGE SPEECH OF REPRESENTATIVE BELMONTE

On motion of Representative Herrera-Dy, there being no objection, the Body referred Representative Belmonte's privilege speech and interpellations thereon to the Committee on Rules.

PRIVILEGE SPEECH OF REPRESENTATIVE CULLAMAT

On motion of Rep. Bernadette "BH" Herrera-Dy, there being no objection, the Chair recognized Rep. Eufemia "Ka Femia" C. Cullamat for her speech. She highlighted that the Philippines was identified as most dangerous country for land and environmental activists based on the 2018 report of Global Witness that also cited the massacre of nine sugarcane farmers in Negros Occidental.

After citing pertinent facts and figures from nongovernment organizations, Representative Cullamat asked Congress to investigate the killing of defenders of the ancestral domain and the adverse effects of the operations of large mining companies and infrastructure projects; urge the Duterte administration to address said deaths and invite United Nations representatives to assess the situation; and pass the Human Rights Defenders Bill.

REFERRAL OF PRIVILEGE SPEECH OF REPRESENTATIVE CULLAMAT

On motion of Representative Herrera-Dy, there being no objection, the Body referred

Representative Cullamat's privilege speech to the Committee on Rules.

The Chair next recognized Rep. Mark O. Go upon motion of Representative Herrera-Dy.

PRIVILEGE SPEECH OF REPRESENTATIVE GO

Representative Go explained how the higher prices of fuel products in Baguio City as compared to those in lowland municipalities which are not very far from it, injure not only the transport sector but also the competitiveness and efficiency of local trade and commerce in the city. As he stressed that Baguio City is a prime tourist destination, he called for immediate government intervention as he emphasized the need for accountability among the market players concerned. He informed the Body that he had filed a resolution to inquire into said disparity as well as the overpricing of fuel products in Northern Luzon. He asked his colleagues to see if their districts have similar irregularities so that they could collectively advocate for solutions thereto.

REFERRAL OF PRIVILEGE SPEECH OF REPRESENTATIVE CULLAMAT

On motion of Representative Herrera-Dy, there being no objection, the Body referred Representative Go's privilege speech to the Committee on Rules.

EXTENSION OF THE PRIVILEGE HOUR

On further motion of Representative Herrera-Dy, there being no objection, the Body approved to extend the Privilege Hour by one more hour.

PRIVILEGE SPEECH OF REPRESENTATIVE BORDADO

Next recognized by the Chair upon motion of Representative Herrera-Dy. Rep. Gabriel H. Bordado Jr. welcomed the recent injunction of a Regional Trial Court of Quezon City on the Metro Manila Development Authority (MMDA) and Land Transportation and Franchising Regulatory Board's (LTFRB) ban of provincial buses along EDSA. He concurred with the court's decision, part of which he read into the records, that the MMDA and LTFRB failed to consult the stakeholders of the ban. He said that while he supported traffic decongestion in

EDSA, such should not have been done by placing travelers in an excruciating bind.

REFERRAL OF PRIVILEGE SPEECH OF REPRESENTATIVE BORDADO

On motion of Representative Herrera-Dy, there being no objection, the Body also referred Representative Bordado's privilege speech to the Committee on Rules.

Thereafter, on motion of Representative Herrera-Dy, the Chair recognized Deputy Speaker Dan S. Fernandez for his privilege speech.

PRIVILEGE SPEECH OF DEPUTY SPEAKER FERNANDEZ

In his speech, Deputy Speaker Fernandez expressed concern on the writ of preliminary injunction issued by the RTC of Quezon City seeking to enjoin the MMDA and LTFRB from implementing the ban of provincial buses along EDSA. He stated that said injunction had put a restraint on the various proposed solutions to solve the horrendous traffic situation in EDSA such as the establishment of an integrated bus terminal system on the outskirts of Metro Manila. Among which is the operation of the \$2.7-billion Sta. Rosa Integrated Terminal System which was envisioned to be a state-of-the-art facility that would serve as a transfer point for provincial and in-city transportation just like the Parañaque Integrated Terminal Exchange (PITEX).

He lamented however that after all the work that have been done by the city government of Santa Rosa in partnership with the MMDA and LTFRB, said injunction was issued by the RTC. He stressed that it is time to give a chance to the operation of an interim terminal bus system that would decongest the bus terminals along EDSA and would probably also address the traffic situation in Metro Manila.

Representative Fernandez emphasized that a dry-run was necessary in order to determine the viability of this policy of transferring the bus terminals on the outskirts of Metro Manila. and reasoned out that it was high time that EDSA be freed from future disarray.

On motion of Representative Herrera-Dy, there being no objection, the Chair recognized Rep. Alfredo A. Garbin Jr. for his interpellation.

INTERPELLATION OF REPRESENTATIVE GARBIN

Initially agreeing on the need to find a viable solution to the EDSA traffic problem, Representative Garbin however argued that adopting a policy affecting millions of Filipinos should be accompanied by actual studies based on empirical data. Further, he said that the MMDA should determine the real cause of the problem, and stressed that an integrated and intermodal terminal, and not interim terminals, as provided under a National Economic and Development Authority board resolution, is considered to be the legal and economic framework for the success of any transport system.

To Representative Garbin's succeeding arguments, Deputy Speaker Fernandez explained that due to the complexity of the traffic problem, the MMDA had to experiment with various possible solutions. He assured the former that the different stakeholders were consulted before adopting the proposed ban on provincial buses on EDSA and that the policy would not cause more P2P buses to operate in EDSA and neither would it increase the transport fare.

Representative Garbin opined that before closing legitimate provincial bus terminals, MMDA and LTRFB should first conduct a crackdown on illegal transport terminals and colorum vehicles.

SUSPENSION OF PRIVILEGE HOUR

To give way to the oath-taking of newly-elected deputy speakers and with the indulgence of Deputy Speaker Fernandez, on motion of Representative Bondoc, there being no objection, the Body suspended the Privilege Hour.

SUSPENSION OF SESSION

On motion of Representative Bondoc, the Chair suspended the session at 6:24 p.m.

RESUMPTION OF SESSION

The session resumed at 6:27 p.m.

SUSPENSION OF SESSION
