SEC. 2. *Manner of Operation of Stations or Facilities.* – The stations or facilities of the grantee shall be constructed and operated in a manner as will, at most, result only in the minimum interference on the wavelengths or frequencies of existing stations or other stations which may be established by law, without in any way diminishing its own privilege to use its assigned wavelengths or frequencies and the quality of transmission or reception thereon as should maximize rendition of the grantee's services and/or the availability thereof.

SEC. 3. *Prior Approval of the National Telecommunications Commission (NTC).* – The grantee shall secure from the NTC the appropriate permits and licenses for the construction and operation of its stations and facilities and shall not use any frequency in the radio/television spectrum without authorization from the NTC. to the detriment of the public interest; or to incite, encourage or assist in subversive or treasonable acts.

SEC. 5. *Right of Government.* – A special right is hereby reserved to the President of the Philippines, in times of war, rebellion, public peril, calamity, emergency, disaster, or disturbance of peace and order: to temporarily take over and operate the stations or facilities of the grantee; to temporarily suspend the operation of any station or facility in the interest of public safety, security and public welfare; or to authorize the temporary use and operation thereof by any agency of the government, upon due compensation to the grantee, for the use of said stations or facilities during the period when these shall be so operated.

The radio spectrum is a finite resource that is part of the national patrimony and the use thereof is a privilege conferred upon the grantee by the State and may be withdrawn any time after due process.

SEC. 6. *Term of Franchise.* – This franchise shall be in effect for a period of twenty-five (25) years from the effectivity of this Act, unless sooner revoked or cancelled. SEC. 9. *Warranty in Favor of National and Local Governments.* – The grantee shall hold the national, provincial, city, and municipal governments of the Philippines free from all claims, accounts, demands, or actions arising out of accidents or injuries, whether to property or to persons, caused by the construction or operation of the stations of the grantee.
