wire and/or wireless telecommunications system including landline
or local exchange services, mobile cellular, copper, fiber optics,
satellite transmit and receive systems, switches and their value-
added services such as the transmission of voice, data, facsimile,
control signs, audio and video, information services including
services for ships at sea, airplanes and other conveyances, by means
of electricity, electromagnetic waves, or any other kind of energy,
force, variations or impulses, radiated through space or transmitted
through any other medium, and all other telecommunications
system technologies as are at present available or will be made
available through technological advances or innovations in the
future; or construct, acquire, lease, and operate, or manage
transmitting and receiving stations, lines, cables, or systems as
are convenient or essential to efficiently carry out the purpose of
this franchise, is hereby renewed for another twenty-five (25) years.

SEC. 2. Manner of Operation of Stations or Facilities. –
The stations or facilities of the grantee shall be constructed and
operated in a manner as will, at most, result only in the minimum
interference on the wavelengths or frequencies of existing stations
or other stations which may be established by law, without in any
way diminishing its own right to use its assigned wavelengths or
frequencies and the quality of transmission or reception thereon
as should maximize rendition of the grantee's services or the
availability thereof.

SEC. 3. Authority of the National Telecommunications
Commission. – The grantee shall secure from the National
Telecommunications Commission (NTC) a Certificate of Public
Convenience and Necessity or the appropriate permits and licenses for the construction, installation and operation of its telecommunications systems or facilities. In issuing the certificate, the NTC shall have the power to regulate and impose such conditions relative to the construction, operation, maintenance, or service level of the telecommunications systems or facilities. Such certificate shall state the areas covered and the date the grantee shall commence the service. The grantee shall not use any frequency in the radio spectrum without authorization from the NTC. The NTC, however, shall not unreasonably withhold or delay the grant of such authority, permit or license.

SEC. 4. Excavation and Restoration Works. — For the purpose of erecting and maintaining poles or other supports for said wires or other conductors for the purpose of laying and maintaining underground wires, cables, or other conductors, it shall be lawful for the grantee, its successors or assignees, with the prior approval of the Department of Public Works and Highways (DPWH) or the local government unit (LGU) concerned, as may be appropriate, to make excavations or lay conduits in any of the public places, roads, highways, streets, lanes, alleys, avenues, sidewalks, or bridges of the province, cities, or municipalities: Provided, however, That a public place, road, highway, street, lane, alley, avenue, sidewalk, or bridge disturbed, altered, or changed by reason of erection of poles or other supports or the underground laying of wires, other conductors or conduits, shall be repaired and replaced in workmanlike manner by said grantee, its successors or assignees, in accordance with the standards set by the DPWH or the LGU concerned. Should the grantee, its successors or assignees, after the ten (10)-day notice from the said authority, fail, refuse, or neglect to repair or replace any part of public place, road, highway, street, lane, alley, avenue, sidewalk, or bridge altered, changed or disturbed by the said grantee, its successors or assignees, then the DPWH or the LGU concerned shall have the right to have the same repaired and placed in good order and condition, and charge the grantee, its successors or assignees, at double the amount of the costs and expenses for such repair or replacement.

SEC. 5. Responsibility to the Public. — The grantee shall conform to the ethics of honest enterprise and not use its stations or facilities for obscene or indecent transmission, or for dissemination of deliberately false information, or willful misrepresentation, or assist in subversive or treasonable acts.

The grantee shall operate and maintain all its stations, lines, cables, systems, and equipment for the transmission and reception of messages, signals, and pulses in a satisfactory manner at all times, and as far as economical and practicable, modify, improve, or change such stations, lines, cables, systems, and equipment to keep abreast with the advances in science and technology.

The grantee shall improve and extend its services in areas not yet served, and in hazard- and typhoon-prone areas that shall be determined by the National Disaster Risk Reduction and Management Council, or its legal successor, in coordination with the NTC.
The grantee shall also improve and upgrade its equipment, facilities and services, in order to ensure effective compliance with the objectives of Republic Act No. 10639 or "The Free Mobile Disaster Alerts Act".

SEC. 6. Rates for Services. – The charges and rates for telecommunications services of the grantee, except the rates and charges on those that may hereafter be declared or considered as nonregulated services, whether flat rates or measured rates or variation thereof, shall be subject to the approval of the NTC or its legal successor.

SEC. 7. Right of Government. – The radio spectrum is a finite resource that is part of the national patrimony and the use thereof is a privilege conferred upon the grantee by the State and may be withdrawn any time after due process.

A special right is hereby reserved to the President of the Philippines, in times of war, rebellion, public peril, calamity, emergency, disaster, or disturbance of peace and order: to temporarily take over and operate the stations, transmitters, facilities, or equipment of the grantee; to temporarily suspend the operation of any station, transmitter, facility, or equipment in the interest of public safety, security, and public welfare; or to authorize the temporary use and operation thereof by any agency of the government, upon due compensation to the grantee, for the use of the stations, transmitters, facilities, or equipment during the period when these shall be so operated.

SEC. 8. Term of Franchise. – This franchise shall be renewed and in effect for a period of twenty-five (25) years from the expiration thereof on 9 August 2021, unless sooner revoked or cancelled.

SEC. 9. Right of Interconnection. – The grantee is hereby authorized to connect or demand connection of its telecommunications systems to other telecommunications systems installed, operated, and maintained by any other duly authorized person or entity in the Philippines for the purpose of providing extended and improved telecommunications services to the public, under the terms and conditions mutually agreed upon by the parties concerned. This right shall be subject to review and modification by the NTC.

SEC. 10. Mobile Number Portability. – The grantee shall provide mobile number portability (MNP) and its implementing mechanism, and shall interconnect, directly or indirectly, with the infrastructure, facilities, systems, or equipment of other telecommunications franchise grantees. It shall not install network features, functions, or capabilities that will impede the implementation of a nationwide MNP system. The NTC shall issue rules and regulations for this purpose, the effectivity of which shall commence upon applicability with other telecommunications franchise grantees.

SEC. 11. Warranty in Favor of the National and Local Governments. – The grantee shall hold the national, provincial, city, and municipal governments of the Philippines free from all claims, liabilities, accounts, demands, or actions arising out of accidents causing injury to persons or damage to properties, during
the construction or operation of the stations, transmitters, facilities, or equipment of the grantee.

SEC. 12. Sale, Lease, Transfer, Grant of Usufruct, or Assignment of Franchise. — The grantee shall not sell, lease, transfer, grant the usufruct of, nor assign this franchise or the rights and privileges acquired thereunder to any person, firm, company, partnership, corporation, or other commercial or legal entity, nor merge with any person, firm, company, partnership or corporation organized for the same purpose without the prior approval of the Congress of the Philippines, except: (a) where the grantee is the surviving corporation; (b) when the transfer is done through a stock exchange transaction; (c) when the transfer is done for the purposes of qualifying persons for election to the board; (d) when the transferee is a corporation that is controlled by the same stockholders as that of the grantee; and (e) when the vendor/lessee/transferee/grantee/assignee is a person, firm, company, corporation or entity with a valid and existing legislative franchise for telecommunications: Provided, further, That any such transfer, sale or issuance is in accordance with any applicable constitutional provision.

Any corporation to which this franchise may be sold, transferred or assigned shall be subject to all conditions, terms, restrictions, and limitations of this Act.

SEC. 13. Dispersal of Ownership. — Subject to the requirements of the Securities and Exchange Commission (SEC) and the stock exchange concerned, the herein grantee shall make public utilities offering to the stock exchanges at least thirty percent (30%) of its authorized capital stock in any securities exchange in the Philippines within a period of three (3) years from the date of the effectivity of this Act, unless the grantee is wholly owned by a public listed company with at least thirty percentum (30%) of whose authorized capital stock is publicly owned.

SEC. 14. Contract with Telecommunications Entities. — The grantee is authorized to contract the installation and operations of telecommunications systems which is the subject of this grant with entities with expertise in the field of telecommunications under such terms and conditions as may be approved by the NTC.

SEC. 15. Commitment to Provide and Promote the Creation of Employment Opportunities. — The grantee shall create employment opportunities as well as accept on-the-job trainees in their franchise operations: Provided, That priority shall be accorded to the residents of the place where their principal office is located: Provided, further, That the grantee shall follow the applicable labor standards and allowance entitlement under existing labor laws, rules and regulations and similar issuances: Provided, finally, That the employment opportunities or jobs created shall be reflected in the General Information Sheet (GIS) to be submitted to the SEC annually.

SEC. 16. Reportorial Requirement. — The grantee shall submit an annual report to the Congress of the Philippines, through the Committee on Legislative Franchises of the House of Representatives and the Committee on Public Services of
the Senate, on its compliance with the terms and conditions of
the franchise and on its operations on or before April 30 of every
year during the term of its franchise.

The annual report shall include an update on the roll-out,
development, operation and/or expansion of business; audited
financial statements; latest GIS officially submitted to the SEC,
if applicable; certification of the NTC on the status of its permits
and operations; and an update on the dispersal of ownership
undertaking, if applicable.

The reportorial compliance certificate issued by Congress shall
be required before any application for permit or certificate is
accepted by the NTC.

SEC. 17. Fine. – Failure of the grantee to submit the
requisite annual report to Congress shall be penalized with a
fine in the amount of One million pesos (P1,000,000.00) per
working day of noncompliance, the effectivity of which shall
commence upon applicability with other telecommunications
franchise grantees: Provided, That in the interim, the grantee
shall be liable to pay the fine of Five hundred pesos (P500.00)
per working day of noncompliance. The fine shall be collected by
the NTC from the delinquent franchise grantee separate from
the reportorial penalties imposed by the NTC, and the same shall
be remitted to the Bureau of the Treasury.

SEC. 18. Equality Clause. – Any advantage, favor, privilege,
exemption, or immunity granted under existing franchises,
or which may hereafter be granted, upon prior review and approval
of Congress, shall become part of this franchise and shall be
accorded immediately and unconditionally to the herein grantee:

Provided, That the foregoing shall neither apply to nor affect the
provisions of telecommunications franchises concerning territorial
coverage, the term, or the type of service authorized by the
franchise.

SEC. 19. Applicability Clause. – The grantee, its successors
or assignees shall be subject to the corporation laws of the
Philippines now existing or hereafter enacted.

SEC. 20. Repealability and Nonexclusivity Clause. – This
franchise shall be subject to amendment, alteration, or repeal
by the Congress of the Philippines when the public interest so
requires and shall not be interpreted as an exclusive grant of the
privilege herein provided for.

SEC. 21. Separability Clause. – If any of the sections or
provisions of this Act is held invalid, all other provisions not
affected thereby shall remain valid.

SEC. 22. Repealing Clause. – All laws, decrees, orders,
resolutions, instructions, rules and regulations, and other
issuances or parts thereof which are inconsistent with the
provisions of this Act are hereby repealed, amended, or modified
accordingly.

SEC. 23. Effectivity. – This Act shall take effect fifteen (15)
days after its publication in the Official Gazette or in a newspaper
of general circulation.

Approved,
