AN ACT
ESTABLISHING THE FOREST STUDIES AND DEVELOPMENT CENTER IN THE CARAGA STATE UNIVERSITY, DEFINING ITS FUNCTIONS, AND APPROPRIATING FUNDS THEREFOR

Be it enacted by the Senate and the House of Representatives of the Philippines in Congress assembled:

SECTION 1. Short Title. - This Act shall be known as the "Forest Studies and Development Center Act".

SEC. 2. Creation of the Forest Studies and Development Center. – There is hereby created in the CARAGA State University, hereinafter referred to as the University, a Forest Studies and Development Center, hereinafter referred to as the Center, which shall be based in the main campus of the University located in Butuan City, Province of Agusan del Norte.

The Center shall be housed in a separate building within the said campus, which shall serve as its office.

SEC. 3. Objectives of the Center. – The Center shall have the following objectives:

a. To foster the restoration, protection, and sustainable management of Philippine forests and cultivate awareness and support for the field of forestry science;

b. To promote partnerships among academe and industry with wood-based and other related industry partners, government agencies, non-government organizations, academic institutions, and other stakeholders;

c. To strengthen the research component of the University, including the publication of papers and research findings on the field of forestry, especially in forest development;
d. To train and advance the technical, scientific, and management skills of forestry professionals in protecting and maintaining the ecological integrity of forests;

e. To organize and hold local, regional, or international fora, seminars, and conferences on best practices and developments in the field of forestry;

f. To provide a platform that will enable faculty development in the interdisciplinary field of forestry science; and

g. To provide environmental or technological services to clients in the agro-forestry or forestry industries as part of its industry engagement, subject to the provisions of Republic Act No. 10055, otherwise known as the “Philippine Technology Transfer Act of 2009”.

All intellectual property rights derived from research and development activities under this Act shall be subject to the provisions of Republic Act No. 10055, otherwise known as the “Philippine Technology Transfer Act of 2009”.

SEC. 4. Faculty and Staff. – The Center shall have a minimum of seven (7) staff composed of technical or research personnel, three (3) non-technical positions, and faculty with expertise in the disciplines of forestry, botany, zoology, agriculture, and environmental science, subject to the evaluation and approval of the Department of Budget and Management.

SEC. 5. Appropriations. - The amount necessary to carry out the provisions of this Act shall be included in the annual General Appropriations Act.

SEC. 6. Implementing Rules and Regulations. – Within ninety (90) days upon the effectivity of this Act, the Board of Regents of the University shall formulate the implementing rules and regulations to carry out the provisions of this Act and take appropriate steps to speed up the realization of the objectives of this Act and the execution of the powers and functions stated above.

SEC. 7. Separability Clause. - If, for any reason, any part or provision of this Act is declared invalid or unconstitutional, the remaining parts or provisions not affected shall remain in full force and effect.

SEC. 8. Repealing Clause. - All laws, presidential decrees, executive orders, rules and regulations contrary to or inconsistent with the provisions of this Act are repealed or modified accordingly.

SEC. 9. Effectivity. - This Act shall take effect fifteen (15) days after its publication in the Official Gazette or in a newspaper of general circulation.

Approved,
