EIGHTEENTH CONGRESS

First Regular Session

House Bill No. 554

Introduced by **HON. ROZZANO RUFINO B. BIAZON**

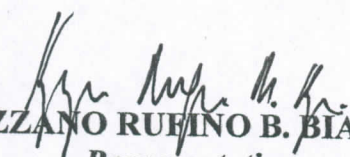

EXPLANATORY NOTE

The Constitution, Executive Order No. 292 (Administrative Code of 1987) and other laws provide for the general qualifications and limitations of the members of the Cabinet. The purpose of such requirements is to ensure that the appointees possess the necessary skills, expertise and integrity essential to the position.

General qualifications required of all department secretaries, in addition to those prescribed in their respective charters, are prescribed in the Administrative Code of 1987. However, in the case of the Secretary of the Department of National Defense, there is a compelling need to emphasize further the supremacy of civilian authority over the military.

By prohibiting a former military officer from being appointed as Secretary of National Defense (SND) within three (3) years after relief from active duty as a commissioned officer of the Armed Forces of the Philippines (AFP), the position of SND will be shielded from controversies arising from appointments, assignments, and other activities within the AFP. By having no prior personal and professional relationships with the officers, the SND would be more objective and impartial in policy formulation and determination. On the part of former military officers, the prohibition shall also afford them sufficient time to adapt to civilian life.

In view of the foregoing, passage of this bill is earnestly sought.
