

Republic of the Philippines
HOUSE OF REPRESENTATIVES

EIGHTEENTH CONGRESS
FIRST REGULAR SESSION

House Bill No. 566

INTRODUCED BY Rep. GREG G. GASATAYA

EXPLANATORY NOTE

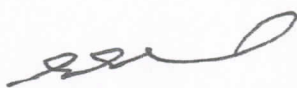

Article XIII Section 1 of the 1987 Constitution states that "The Congress shall give highest priority to the enactment of measures that protect and enhance the right of all the people to human dignity, reduce social, economic, and political inequalities, and remove cultural inequities by equitably diffusing wealth and political power for the common good."

Article VI Section 5 Paragraph 4 of the same Constitution also mandates Congress to make a reapportionment of legislative districts within three (3) years following the return of every national census. This is to ensure that a city or a province is given proper and adequate representation in the House of Representatives in the event of increases in its population, at a ratio on a Representative for every 250,000 inhabitants.

This bill seeks to create the 1st and 2nd Legislative Districts of Bacolod City by apportioning the 61 Barangays comprising the Lone District of Bacolod City. As per the August 1, 2015 Census of the Philippine Statistics Authority, Bacolod City has a population of 561,875 with an average growth rate of 1.78% annually.

The apportionment of the Lone District of Bacolod City into two Legislative Districts has become a matter of necessity. It is mandated by the highest law of the land. It is to ensure that efficient and effective public service is rendered to the whole populace of Bacolod City, that the City has adequate Representation in Congress and so that Bacolod City receives its fair share of the National Government's resources.

As such, the approval of this Bill is earnestly sought.
