House Bill No. 1441

INTRODUCED BY HON. LUIS JOSE ANGEL N. CAMPOS, JR

EXPLANATORY NOTE

It is a known fact that for some reason or the other some of our senior citizens could not to complete or start their education. However, advance age should not be a reason to deny a person his/her basic right to quality education.

Section 1, Article XIV, of the Philippine Constitution states that "the State shall protect and promote the right of all citizens to quality education at all levels, and shall take appropriate steps to make such education accessible to all."

As seen above, the right of any person, regardless of age, to access quality education is enshrined in our Constitution. In addition, the United Nations Educational, Scientific, and Cultural Organization (UNESCO) declared that it "believes that education is a human right for all throughout life and that access must be matched by quality".

Under the foregoing principles senior citizens who still wish to continue, finish or even start their formal education should be given such opportunity.

This bill seeks to give our senior citizens such opportunity by exempting them from paying tuition fees in public schools and universities.

For the foregoing reasons, the passage of this bill is earnestly sought.

LUIS JOSE ANGEL N. CAMPOS, JR.
