HOUSE BILL NO. \_\_\_\_\_

---

**Introduced by HON. JUMEL ANTHONY I. ESPINO**

---

Through the years, the Lingayen District Hospital's number of patients admitted, especially indigents, has increased significantly. The 60-bed capacity hospital can no longer adequately accommodate the ever increasing number of patients, especially those requiring confinement.

With this proposed measure, the Lingayen District Hospital in Lingayen, Pangasinan will be fully provided with modern equipment, medical and surgical supplies, medicines, state-of-the-art laboratory and other medical requirements needed to extend more efficient, appropriate and adequate medical assistance.

To ensure affordable, acceptable, available and accessible health care services for the people in the areas without compromising the quality of medical care, approval of this bill is highly appreciated.
