**EXPLANATORY NOTE**

This bill seeks to convert to Fidel Bas Road to Rizal Road of Talisay City, Cebu, from Barangay to National Road and to provide fund for its purpose.

The existing barangay road Fidel Bas to Rizal road commences at Baranagy Mohon and stretches to Rizal Road of Barangay Poblacion of Talisay City, Cebu. It serves as connecting short cut access to other barangays within the city and is accurately 4.8 kilometres in length. Constituents and inhabitants, various sectors of the community be it on business, public and private employment are dependent on its use. It's being utilized as trade and business route principally because it gave an easy and accessible entry and exit going to and from the National Highway, vice versa. Further, commuters and travelling public whether on private vehicle or public utilities commonly passed the route to save more travel time and avoid traffic congestions during rush and peak hours.

The conversion of Fidel Bas Road – Rizal Road, from a barangay to a national road will certainly hasten access of motorist.

The passage of this bill is of urgent concern because of the numbers of riding public and stakeholders benefiting its use.

In view of foregoing, the passage of this is earnestly sought.
