Introduced by Honorable Deogracias Victor "DV" B. Savellano

EXPLANATORY NOTE

This bill seeks to increase the bed capacity of Magsingal District Hospital in Magsingal, Ilocos Sur from twenty five (25) to one hundred (100).

Section 11 of Article XIII of the 1987 Constitution provides:

"SEC. 11. The State shall adopt an integrated and comprehensive approach to health development which shall endeavor to make essential goods, health and other social services available to the people at affordable cost. There shall be priority for the needs of the underprivileged, sick, elderly, disabled, women and children. The State shall endeavor to provide free medical care to paupers."

The Magsingal District Hospital is a 25-bed capacity hospital which provides preventive, curative and rehabilitative services to the residents of Magsingal, Sto. Domingo and San Ildefonso. It also provides ancillary services like x-ray, dental, laboratory and other supportive professional services for the delivery of quality health services.

With this proposal, the Magsingal District Hospital will become one of the modern type hospitals, fully equipped with medicines, medical and surgical supplies, laboratory and other supportive professional services for the delivery of health services. Furthermore, it will serve as a training ground for medical students in Ilocos Sur.

In view of the foregoing, approval of this bill is highly appreciated.
