HOUSE BILL NO. 2473

Introduced by Hon. Deogracias Victor "DV" B. Savellano

EXPLANATORY NOTE

Our constitution mandates that it is the duty of the State to establish and maintain a free public education, to protect and promote the right of citizens to quality education and to take measures to make education equally accessible to all.

The bill seeks to create the Flora National High School in the Municipality of Sto. Domingo, Ilocos Sur. The reason why a national high school has to be placed in Barangay Flora is because there is a sizeable number of students within the surrounding communities that can avail of the presence of a national high school. These students need not travel to a distant school but instead, just attend the envisioned Flora National High School, saving time and transportation expenses.

The establishment therefore of the Flora National High School makes high school education more accessible to the barangay residents and other surrounding barangays as well giving better opportunities to the youth to continue and pursue their education.

In view of the foregoing, the passage of bill is earnestly sought.
