EIGHTEENTH CONGRESS
First Regular Session

HOUSE BILL No. 3462

Introduced by HON. JULIETTE T. UY

EXPLANATORY NOTE

This measure is a re-filed version of House Bill 1929 that was approved by the House in the 17th Congress.

At present, the Municipality of Villanueva in the Province of Misamis Oriental is widely considered as the growing industrial hub of the province and arguably, even Northern Mindanao as it has at least sixteen (16) medium to large scale industries.

Due to the said growing local economy of Villanueva and the influx of industrial plants, there is a steady increase in the population of the Municipality. In line with this, there is a need to establish a hospital in the area to ensure that the population is given adequate health care in the quickest possible time especially during emergencies. This is essential considering that Villanueva is 26 kilometers away from Cagayan de Oro City where the nearest hospitals are located.

In view of the foregoing, immediate passage of this bill is earnestly sought.

Approved,
