First Regular Session

HOUSE BILL NO. 4272

---

Introduced by **REPRESENTATIVE JOEL MAYO Z. ALMARIO**

---

#### EXPLANATORY NOTE

The Department of Education (DepEd) recently included in its strategic goals the "expansion of access and inclusion in basic education." In line with this thrust, the DepEd institutionalized the Special Education (SPED) Program - a curriculum that caters specifically to learners who are visually or hearing impaired, orthopedically handicapped, have learning disabilities, suffer speech impediments, or are afflicted with autism, ADHD and other similar medical conditions. Students in the SPED program are placed in an educational environment with facilities suited to their abilities and guided by sufficient faculty and staff trained to educate special learners.

At present, there are only three (3) SPED Centers in the Schools Division of the City of Mati, Davao Oriental. Due to the distance and financial constraints brought about by high transportation costs, personal and safety expenses, and other necessary logistical costs, these centers are inaccessible to special learners residing in the farther areas of the district including Dahican, Dawan, Macangao, Banaybanay, Tibanban and Luzon.

This bill is being filed in response to the petition filed by the residents of the Municipality of Banaybanay for the establishment of a SPED Center within their municipal proper to be called the Banaybanay Central Elementary School SPED Center.

Support for this bill is earnestly sought.
