

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

EIGHTEENTH CONGRESS
Second Regular Session

HOUSE BILL NO. **9211**

Introduced by **HON. JOY MYRA S. TAMBUNTING**

EXPLANATORY NOTE

This measure seeks to establish an e-library in the Barangay Hall of Barangay San Antonio, Parañaque City. An e-library is proposed in lieu of a reading center as provided in Republic Act No. 7743 which provides for the establishment of "additional public libraries to serve all congressional districts cities and municipalities in the Philippines and reading centers in every barangay except in cities or municipalities where there are existing public libraries or in barangays where there are existing reading centers..."

As the establishment of physical libraries and reading centers could be costly and could only offer limited materials, an e-library with at least 3 sets of computers with access to the internet in the barangay halls could be a better alternative. These computer units allow the public to access a vast collection of educational materials online. Moreover, with learning institutions moving towards incorporating newer (digital) forms of educational materials to their databases, public libraries and reading centers should not lag behind and ensure that they have access new technologies.

On behalf of the people of Parañaque City's Second District, and for the common good of the Filipino people, the approval of the said measure is earnestly sought.
