HOUSE BILL NO. **9317**

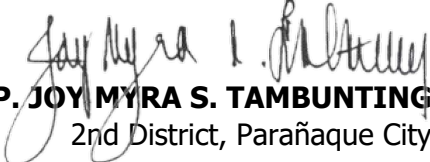

Introduced by **HON. JOY MYRA S. TAMBUNTING**

EXPLANATORY NOTE

With the digitization of most day-to-day transactions comes more avenues to commit fraud. As senior citizens tend to find it more difficult to adapt to technological advances, they are often primarily targeted for fraudulent activities. Considering the increasing reports of senior citizens being victimized by fraudulent activities, it is incumbent upon the State to adopt a program towards creating awareness in detecting scams among the public, particularly the elderly, their family and caregivers.

This measure seeks to protect and promote the welfare of our senior citizens by educating them, their families, their caregivers and the public on how to identify and combat fraudulent activities in order to prevent mail, telemarketing, and internet fraud targeting senior citizens.

On behalf of the people of Parañaque City's Second District, and for the common good of the Filipino people, the approval of the said measure is earnestly sought.
