HOUSE BILL NO. **9338**

Introduced by **HON. JOY MYRA S. TAMBUNTING**

EXPLANATORY NOTE

The Philippines consistently earns respect and adulation from all over the world due to the championships won by our professional athletes with world-class talents.

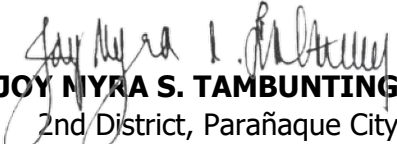

Among those are Gabriel Elorde, Luisito Espinosa, Gerry Penalosa, Nonito Donaire, and Senator Emmanuel Pacquiao in the boxing arena; Lydia de Vega and Elma Murosa-Posadas in Track and Field; Rafael Reyes, Francisco Bustamante and Rubilen Amit in Billiards; and Eugene Torre in Chess.

Most sports are physical in nature and many of our Filipino athletes risk their lives to become champions. Unlike other career professionals, the career lifespan of a professional athlete is short. Many do not reach the age of 40 before retiring, giving way to the much younger and stronger athletes. Some are forced to retire because they have passed the height of their careers. Others are just given bad breaks in life after winning a tie.

This bill seeks to provide health care and retirement privileges and death benefits to professional Filipino athletes who win world championship titles in international professional sports competitions or in other equally prestigious world championship games, who have given honor, glory and pride to the Philippines, in both individual and team events through the following: (a) extend medical insurance and medical assistance to hospitalized professional Filipino champions, (b) grant a monthly pension of P15,000.00 to individual world champions at the retirement age of 50 years, and (c) death benefits to help in funeral services/expenses.

This bill recognizes the honor, glory and pride professional Filipino athletes have given our country, and also reassures them that their efforts are not forgotten.

On behalf of the people of Parañaque City's Second District, and for the common good of the Filipino people, the approval of the said measure is earnestly sought.
