**AN ACT  
GRANTING UNICORN COMMUNICATIONS CORPORATION A FRANCHISE TO  
CONSTRUCT, INSTALL, ESTABLISH, OPERATE, AND MAINTAIN  
TELECOMMUNICATIONS SYSTEMS THROUGHOUT THE PHILIPPINES**

*Be it enacted by the Senate and House of Representatives of the Philippines in Congress assembled:*

1           **SECTION 1. *Nature and Scope of Franchise.*** – Subject to the provisions of the  
2 Constitution and applicable laws, rules and regulations, there is hereby granted to Unicorn  
3 Communications Corporation, hereunder referred as the Grantee, its successors or  
4 assignees, a franchise to construct, install, establish, operate, and maintain, for  
5 commercial purposes and in the public interest, in the Philippines, wired and wireless  
6 telecommunications systems, including internet access, through copper, fiber optics,  
7 satellite systems, switches, and all other telecommunication systems or information and  
8 communications technologies as are at present available or will be made available  
9 through technological advances or innovations in the future, and offer  
10 telecommunications services, value-added services, including internet access service, or  
11 other electronic communication services such as the transmission of voice, data,  
12 facsimile, control signs, audio and video information services, or to construct, acquire,

1 lease, and operate, or manage transmitting and receiving stations, lines, cables, or  
2 systems as are convenient and essential to efficiently carry out the purpose of this  
3 franchise.

4 **SEC. 2. Manner of Operation of Stations or Facilities.** – The stations or facilities  
5 of the Grantee shall be constructed and operated in a manner as will, at most, result only  
6 in the minimum interference on the wavelengths or frequencies of existing stations or  
7 other stations which may be established by law, without in any way diminishing its own  
8 privilege to use its assigned wavelengths or frequencies and the quality of transmission  
9 or reception thereon as should maximize rendition of the Grantee’s services or the  
10 availability thereof.

11  
12 **SEC. 3. Authority of the National Telecommunications Commission.** – The  
13 Grantee shall secure from the National Telecommunications Commission (NTC) a  
14 Certificate of Public Convenience and Necessity or the appropriate permits and licenses  
15 for the construction, installation, and operation of its telecommunications systems or  
16 facilities. In issuing the certificate, the NTC shall have the power to regulate and impose  
17 such conditions relative to the construction, operation, maintenance, or service level of  
18 the telecommunications systems or facilities. Such certificate shall state the areas  
19 covered and the date the Grantee shall commence the service. The Grantee shall not use  
20 any frequency in the radio spectrum without authorization from the NTC. The NTC,  
21 however, shall not unreasonably withhold or delay the grant of such authority, permit, or  
22 license.

23  
24 In case of any violation of the provisions of this franchise, the NTC shall have the  
25 authority to revoke or suspend, after due process, the permits or licenses it issued  
26 pursuant to the franchise. The NTC may recommend to Congress the revocation of the  
27 franchise for any violation of the provisions of this franchise.

28  
29 **SEC. 4. Excavation and Restoration Works.** – For the purpose of erecting and  
30 maintaining poles or other supports for wires or other conductors, and for laying and  
31 maintaining of underground wires, cables, or other conductors, it shall be lawful for the

1 Grantee, its successors or assignees, with the prior approval of the Department of Public  
2 Works and Highways (DPWH) or the local government unit (LGU) concerned, as may be  
3 appropriate, to make excavations or lay conduits in any of the public places, roads,  
4 highways, streets, lanes, alleys, avenues, sidewalks, or bridges of the province, cities, or  
5 municipalities: *Provided, however,* That a public place, road, highway, street, lane, alley,  
6 avenue, sidewalk, or bridge disturbed, altered, or changed by reason of erection of poles  
7 or other supports or the underground laying of wires, other conductors or conduits, shall  
8 be repaired and replaced in workmanlike manner by the Grantee, its successors or  
9 assignees, in accordance with the standards set by the DPWH or the LGU concerned.  
10 Should the Grantee, its successors or assignees, after the ten (10)-day notice from the  
11 said authority, fail, refuse, or neglect to repair or replace any part of public place, road,  
12 highway, street, lane, alley, avenue, sidewalk, or bridge disturbed, altered, or changed by  
13 the Grantee, its successors or assignees, then the DPWH or the LGU concerned shall  
14 have the right to have the same repaired and placed in good order and condition, and  
15 charge the Grantee, its successors or assignees, at double the amount of the costs and  
16 expenses for such repair or replacement.

17  
18 **SEC. 5. Responsibility to the Public.** – The Grantee shall conform to the ethics  
19 of honest enterprise and not use its stations or facilities for obscene or indecent  
20 transmission, or for dissemination of deliberately false information, or willful  
21 misrepresentation, or assist in subversive or treasonable acts.

22  
23 The Grantee shall operate and maintain all its stations, lines, cables, systems, and  
24 equipment for the transmission and reception of messages, signals, and pulses in a  
25 satisfactory manner at all times, and as far as economical and practicable, modify,  
26 improve, or change such stations, lines, cables, systems, and equipment to keep abreast  
27 with the advances in science and technology.

28  
29 The Grantee shall improve and extend its services in areas not yet served, and in  
30 hazard- and typhoon-prone areas that shall be determined by the National Disaster Risk  
31 Reduction and Management Council, or its legal successor, in coordination with the NTC.

1           The Grantee shall also improve and upgrade its equipment, facilities and services,  
2 in order to ensure effective compliance with the objectives of Republic Act No. 10639 or  
3 “The Free Mobile Disaster Alerts Act”.

4  
5           **SEC. 6. Rates for Services.** – The charges and rates for telecommunications  
6 services of the Grantee, except the rates and charges on those that may hereafter be  
7 declared or considered as nonregulated services, whether flat rates or measured rates or  
8 variations thereof, shall be subject to the approval of the NTC or its legal successor. The  
9 rates to be charged by the Grantee shall be unbundled, separable, and distinct among  
10 the services offered and shall be determined in a manner that ensures that regulated  
11 services do not subsidize those that are not regulated.

12  
13           **SEC. 7. Right of Government.** – The radio spectrum is a finite resource that is  
14 part of the national patrimony and the use thereof is a privilege conferred upon the  
15 Grantee by the State and may be withdrawn any time after due process.

16  
17           A special right is hereby reserved to the President of the Philippines, in times of  
18 war, rebellion, public peril, calamity, emergency, disaster, or disturbance of peace and  
19 order: to temporarily take over and operate the stations, transmitters, facilities, or  
20 equipment of the Grantee; to temporarily suspend the operation of any station,  
21 transmitter, facility, or equipment in the interest of public safety, security, and public  
22 welfare; or to authorize the temporary use and operation thereof by any agency of the  
23 government, upon due compensation to the Grantee, for the use of the stations,  
24 transmitters, facilities, or equipment during the period when these shall be so operated.

25  
26           **SEC. 8. Term of Franchise.** – This franchise shall be in effect for a period of twenty-  
27 five (25) years from the date of the effectivity of this Act, unless sooner cancelled. This  
28 franchise shall be deemed *ipso facto* revoked in the event that the Grantee fails to operate  
29 continuously for two (2) years.

1           **SEC. 9. Right of Interconnection.** – The Grantee is hereby authorized to connect  
2 or demand connection of its telecommunications systems to other telecommunications  
3 systems installed, operated, and maintained by any other duly authorized person or entity  
4 in the Philippines for the purpose of providing extended and improved  
5 telecommunications services to the public, under the terms and conditions mutually  
6 agreed upon by the parties concerned. This right shall be subject to the review and  
7 modification of the NTC.

8  
9           **SEC. 10. Warranty in Favor of the National and Local Governments.** – The  
10 Grantee shall hold the national, provincial, city, and municipal governments of the  
11 Philippines free from all claims, liabilities, accounts, demands, or actions arising out of  
12 accidents causing injury to persons or damage to properties, during the construction or  
13 operation of the stations, transmitters, facilities, or equipment of the Grantee.

14  
15           **SEC. 11. Sale, Lease, Transfer, Grant of Usufruct, or Assignment of**  
16 **Franchise.** – The Grantee shall not sell, lease, transfer, grant the usufruct of, nor assign  
17 this franchise or the rights and privileges acquired thereunder to any person, firm,  
18 company, corporation, or other commercial or legal entity, nor merge with any other  
19 corporation or entity, nor shall the controlling interest of the Grantee be transferred,  
20 simultaneously or contemporaneously, to any person, firm, company, corporation, or  
21 entity without the prior approval of Congress. The Grantee shall inform Congress,  
22 through the Office of the Speaker of the House of Representatives and the Office of the  
23 Senate President, of any sale, lease, transfer, grant of usufruct, or assignment of  
24 franchise or the rights and privileges acquired thereunder, or of the merger or transfer of  
25 the controlling interest of the Grantee, within sixty (60) days after the completion of the  
26 said transaction. Failure to report to Congress such change of ownership shall render the  
27 franchise *ipso facto* revoked. Any person or entity to which this franchise is sold,  
28 transferred, or assigned shall be subject to the same conditions, terms, restrictions, and  
29 limitations of this Act.

1           **SEC. 12. *Dispersal of Ownership.*** – In accordance with the constitutional  
2 provision to encourage public participation in public utilities, the Grantee shall offer to  
3 Filipino citizens at least thirty percent (30%) of its outstanding capital stock, or a higher  
4 percentage that may hereafter be provided by law, in any securities exchange in the  
5 Philippines within five (5) years from the effectivity of this Act: *Provided*, That in cases  
6 where public offer of shares is not applicable, other methods of encouraging public  
7 participation by citizens and corporations operating public utilities must be implemented.  
8 Noncompliance therewith shall render the franchise *ipso facto* revoked.

9  
10           **SEC. 13. *Commitment to Provide and Promote the Creation of Employment***

14 *further*, That the Grantee shall comply with the applicable labor standards and allowance  
15 entitlement under existing labor laws, rules and regulations, and similar issuances.

16  
17           The employment opportunities or jobs created shall be reflected in the General  
18 Information Sheet (GIS) to be submitted to the Securities and Exchange Commission  
19 (SEC) annually.

20  
21           **SEC. 14. *Reportorial Requirement.*** – The Grantee shall submit an annual report

10 collected separately from the reportorial penalties imposed by the NTC, and it shall be  
11 remitted to the Bureau of the Treasury.

13           **SEC. 16. *Equality of Treatment in the Telecommunications Industry.*** – Any  
14 advantage, favor, privilege, exemption, or immunity granted under existing franchises, or  
15 which may hereafter be granted for telecommunications, upon prior review and approval  
16 of Congress, shall become part of this franchise and shall be accorded immediately and  
17 unconditionally to the herein Grantee: *Provided,* That the foregoing shall neither apply to
